

Landon,

I can't hardly believe it is time for you to graduate. Time has gone by so fast. You were my special little boy and now you have grown into a special young man. You are very special because you are kind to everybody and a friend to all. Please don't ever change. God has a wonderful plan for your life so trust him and listen closely. He will guide you each step of the way. Always keep your eyes on Jesus and you will never go wrong. Stand tall, keep a smile on your face, and trust God with all your heart. Always remember how much we love you! We will always be here for you and never forget how special you are to this family. In the good times and the bad, remember your strength comes from the Lord. We are so very proud of you and what you stand for. Take care of yourself, work hard, and always be a good boy. God has given you the precious gift of life so be careful how you use it and always live it for Him. We love you very much and we wish for you the best of everything. We pray you will go far in life and make a difference everywhere you go. God bless you!

Love from us all,
