Prom

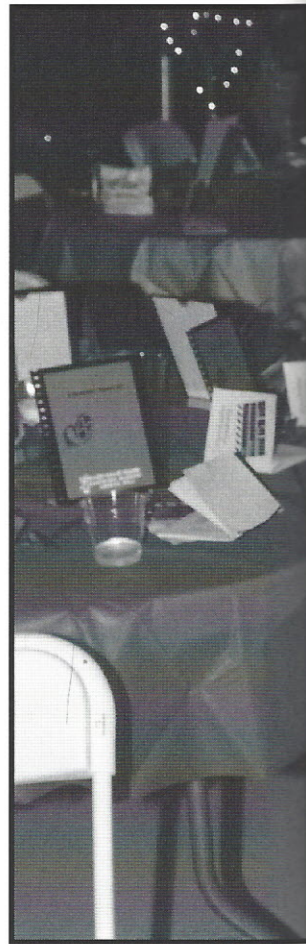

# “Hollywood Magic”

Students have many things to look forward to throughout the school year—prom being one of them. Prom night is one of the most significant nights of the year for many juniors and seniors at Dorchester

Academy. Due to shortage of time to decorate, find a date, and shop for the perfect

dress, a number of them believe that prom is a stressful time. But altogether, the prom proved to be a replica of “Hollywood Magic.”

“We felt like we were in a movie with all the stars on a Hollywood night.”
