Where They Come From...

This section of the yearbook displays our students and faculty, Dorchester Academy's basis, heart, and significance. Without them, our school would be nothing. There would be no sports, clubs, or friendships. The dedication and enthusiasm of students allows our established school to carry on and will also help DA to continue to persevere. In short, this is what makes Dorchester Academy so great - the love of the "People."

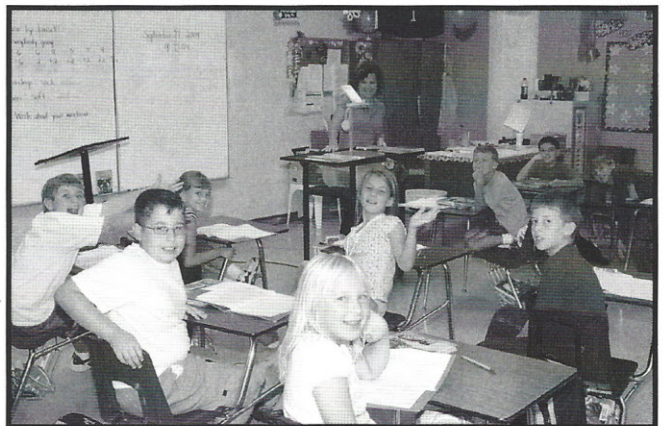

Jamie Port studies hard for his next big test.

Mrs. Lawana teaches her students with all of her heart.

Dustin Lott and Grier Jordan make time for a quick snapshot.

Lyndsey Stephens and Emily McAlhany polish up on their math skills in Algebra I.

The third grade class WAS paying close attention to Mrs. Penny.
