## My Hero...

Clayton Jackson

"My hero is the American Hero, one of Spiderman's friends. He died because he was in the war and saving people. The other army killed him and he was brave."

Marion Infinger

"The Power Rangers are my heroes because they beat up the bad guys and rescue the good ones."

Katie Baucom

"I like Spongebob because he likes me. He makes me laugh. I can play with him and we share toys. When I am bleeding, he gives me a band-aid."

Kaylee Behie

"My hero is my little sister, Whitley. She's a baby and my favorite baby ever. And my Aunt Shelley because I love her."

Jack Brickle

"The Incredible Hulk is my hero because he is big and strong. If someone messes with him, he fights them and hits the bad guys."
