

Campmeeting

Campmeeting comes once a year, and all of the students enjoy attending this fun-filled week. Some like to hang out with friends and eat icees, while others are revived by the religious services.

Over the years, the Tabernacle has become a symbol of Campmeeting. This place of worship is located in the center of the Campground.

Anna Myers hangs out behind the tents.

Victoria Graham & Jamie Moore enjoy an icee.

Kayla Mitchell makes many kids smile by serving up treats.

Kristy Scott & West Mauney enjoy a game of paper football in front of the tent.
