

*Kelsey,*

*The time has finally come...to cut the cord that has held us together for so many years. You have made us extremely proud with all of your accomplishments. We will miss you when you go to college, but we wish you the very best. If you continue to strive to succeed, all of your dreams will come true. We love you and will always be there for you.*

*Love, Mom and Dad*

*Kelsey--Congratulations!*

*I LOVE YOU! Jamie*
