

*To our Catherine Noel,*

*From the moment you were born and we were all there, our lives have never been the same because of the joy you have brought to us.*

*Just remember our home, as always, will be your home.*

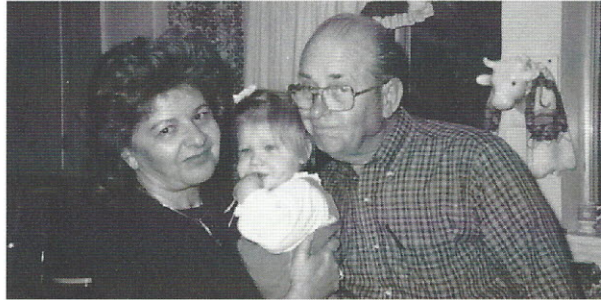

*I still miss your long beautiful hair!*

*Praying for your future with many blessings!*

*Love Na Na & Pop Blewer*

*P.S. Don't ever park a car on a hill.*

*Remember? Ha! Ha!*

*I have watched you grow and mature into the pretty, young lady you are. You have always made me so very proud. While you travel through life, I wish for you a bright and sunny day. If there are cloudy days - Dad will always be there for you.*

*Love ya "Priss," Dad & Justin*
