

WHITNEY WALTERS

Whit.

It is hard to believe that the time has come for you to graduate from high school. You have made us proud, not only with your scholastic accomplishments, but we are also so proud of the young woman that you have become. Our pride is not only in the physical beauty that you so gracefully possess, but even more importantly, the beauty that radiates from your heart that you share with others. Always seek God and look to Him for your strength. Always seek a life that is full of peace, love, and joy.

We love you more than we can say.

Dad, Sue, Jessica, Grandmamma, Granddaddy, and Aunt Deb
