

Ashleigh,

You are such a special girl. We are so blessed and proud to have you as our Granddaughter. Your bright smile, sweet disposition, and willingness to help others are a few of the things that make you so special. Keep your conviction and your goals in front of you and God in your heart. You will be whatever you want to be in life and will continue to touch so many other lives with your special ways and gifts. Through the years we have so many memories and special times shared - these are a few of our favorite ones. Thank you Ashleigh for touching our lives and hearts in such a special way. Granddaddy's "Motor Mouth & Aggravation"... Kama's "Pumpkin" and "Ashapoo"... We love you!!!

*Ashleigh,
We are so proud of you.
We Love You,
Uncle Rodney, Aunt Cheryl, and Logan*
