Deborah,

We are so very proud of you! We can't believe you are a senior. I knew it with my mind, but as I write this message, I know it with my heart.

You are a generous and helpful woman. If anyone ask, you are there to help. You give of your heart, time, and money. You will be greatly missed by us and by all those you help, when you go to college.

Always seek advice from those who do right, then you will be like a tree planted by the river and you will prosper in all that you do.

Best of luck as you leave the nest. May you soar like an eagle (Isaiah 40:31).

All Our Love,  
Momma and Daddy

Deborah,

Congratulations on your graduation! I know that the future has much in store for you, and I wish you the best as you pursue your dreams. Work hard and stay true to yourself and I am sure that you will go far. Good luck and enjoy your first year at college!

GO TIGERS!  
Love, Jessica
