

Kevin,  
 I love you and will miss you taking me to school. You are a loving big brother. I will miss seeing you in the hall and in the lunchroom. I LOVE YOU!!!

Congratulations Kevin,

We were thinking back to the day the Lord truly blessed us with a handsome baby boy. It is very hard to believe that same baby boy is ready to graduate. We are so proud of all your accomplishments. You have given us so many wonderful memories to cherish. We wish and pray only the best for you as you go on to a technical school and start your career. Remember to always keep God first, and have love and respect for others in all that you do. Always remember, we are here for you and most of all, never forget how much WE LOVE YOU!!!

Kevin,  
 School will be different without you around next year! Wish you the best at college.  
 Your Favorite Brother,  
 John
