

As the days go by, the names and faces are constantly changing. Everyday we experience memories that will last a lifetime. Past and present students, faculty, and friends will always have a place to call home. From the playing fields to the classrooms, we are all one big family sharing both the good times and the bad.

"It doesn't matter where you are, It doesn't matter where you go If it's a million miles away or just ten miles up the road Take it in, take it with you when you go Who says you can't go home?"

~Bon Jovi

No matter what life brings us, we will always have a place called home to count on. These memories made at Dorchester Academy will always remain in our hearts, which is why Home is where the Raider is.
