

Spotlight on Soccer

Many children from K-4 through 7th grade participated in the newly added soccer program this year. This gave the younger children a sport to play and this will hopefully continue for many years to come.

1. Soccer is a great way to learn teamwork. These two girls give a great example. 2. Are these two having trouble?

Nicholas Chinnners steals the ball away to make the next goal.

These players chase the ball up and down the field.
