

Varsity Golf

Our team got off to an arduous start this season because at first we did not have enough people. Eventually we acquired three novices and we truly had a multifaceted team. We shot past other teams to clench a spot at the state championship. Though we were motivated for the win, a title would not come to pass this season. However, even the final loss did not diminish our pride and RAIDER SPIRIT because we achieved the best season in the history of Dorchester Academy and had a great time.
