

Student Government Banquet

From left) Penny Fender- Sponsor, Katie Fender-Secretary, Bailey Fender- Historian, Grayson Jordan- Treasurer, Kayla Reynolds-President, Kacey Patrick-Vice president

At the end of each school year, the Student Government holds a banquet to recognize each member for their hard work through out the year. The Student Government is very active not only with school functions but also with the community. Each year the Student Government also participates in the annual Student Exchange.

Katie Fender explains the "R" period to the students from First Baptist.

This year the student government hosted First Baptist of Charleston during Student Exchange Week.

Through out the year, the Student Government holds food drives to help out families in the community during the holidays.
