

"Kevin"

We can hardly believe that you're a Senior, and don't know where the time has gone! I guess time really does fly when you're having fun! Our years with you have been filled with fun, laughter, and happiness. We are very proud of you and are honored that you are our son. You are kind, thoughtful, and always considerate of others. Your family has always been important to you and you are the best son and brother a family could have! Our hearts are full of love for you! Because you take the things that are important to you very seriously, we know that you will succeed in whatever you do. Keep your faith in God, and always remember that no matter what, we'll always be here whenever you need us! We have enjoyed watching you grow into a wonderful young man and look forward to being apart of your life as you begin your journey into the adult world. You will always be our "best" son!

We Love You Always and Forever!  
Momma, Daddy, and April

Kev you have always been and always will be my buddy. I love you more than you'll ever know! You have brought so much joy and happiness to my life, and your sense of humor is great! You can always make me laugh even when I don't want to. I will always cherish the time we've spent together, and will never forget all the scary movies we've watched or the "rides" you've taken me on...like on the tube and out of the pool! LOL! What more can I say? Life with you is a blast! You're the best and I'm glad you're mine! I'm here for you always! Now go take the world for a "ride"!

I'll Love You Forever!  
Momma

Congratulations on your graduation Kevin! I know you thought this day would never get here, but here it is. Son, I'm so proud of your accomplishments and if you work hard you will succeed in whatever you choose in life. Always remember to treat people the way you want to be treated. If you ever need me you can count on me!

Love,  
Daddy

Congratulations K! It seems just like yesterday Mama was picking me up from Mrs. Rickborn's and told me I had a little brother! Now you're graduating from high school! Time sure has flown by! Good luck at Tech next year and in all that you do! I'm so proud of you!

Love always,  
A
