

Christopher,

You are the sunshine of our lives. From the day you were born we have always been so proud of you. We have watched you grow from a little boy to a young man in such a short time. It seems like only last week you were going to Ms. Nancy's Daycare, then you were off to Ms. Rickborn's kindergarden and then to school. And now you are about to graduate from there and you will be off to college. This is such an exciting time in your life and we are excited for you. We just know you only have great things ahead of you in whichever career you choose. We are always there for you and will remain proud of you.

Congratulations! We love you,
Hamomma, Handaddy
Shorty, Scotty & Janet
