

Rick,

Congratulations on your achievements in school. We believe you will succeed in everything you set your mind to do. We will miss you when you leave to go on to your higher education. What will we do when our Dish Network goes on the blink? You are a very special Grandson and we have loved you since the day you were born. We were so excited! I heard the doctor say, "It's a boy!" We remember the special things you did when you were a little boy and growing up to be the handsome young man you are today. Thanks for being our TV repairman when we messed up our set and you came over and fixed it for us. Thank you for everything you have done to make us feel special, and remember we love you and hope the best for you.

Always,
Grandmomma Myrtle and
Granddaddy Thomas
