

GEORDIE

It is so hard to believe how fast the past 18 years have passed us by. Seems like just yesterday we were watching you graduate from kindergarten. Geordie you have grown to be such a fine young man and we are so proud of you.

As you start your new journey remember that life can be so confusing... Just don't ever try to understand everything- some things will just never make sense. Don't be reluctant to show your feelings- when you're happy, give into it! When you're not, live with it. Don't ever be afraid to try to make things better- you might be surprised at the results. Don't ever take the weight of the world on your shoulders and don't ever feel threatened by the future- take life one day at a time.

Happiness awaits you son and there are joys to give and to receive. There is knowledge to be found... Go for it! Always listen to your own heart while reaching for nothing but the best. Don't ever forget that you can achieve so many of the things you can imagine- It's not as hard as it seems. Don't ever stop loving- don't ever stop believing- don't ever stop dreaming your dreams. Give to life, and life will give to you. And as you love, always remember that you are loved.

We love you very much.....Dad & Mom
