

*Kelly,*

*From the day we met, I knew you were special. Over the years I have grown to love you as my own daughter. You are one of a kind and I am so proud of you for who you are-your own person. Always follow your heart and God and you'll never go wrong. Remember that I will always be here for you. But most of all, remember that I love you.*

*Kelly,*

*From the day you were born, you were always "Daddy's Little Girl." We've been through a lot together, and we managed to make a lot of lemonade out of some of those lemons we were dealt at times. Remember it's always the difficult times that make us stronger, and our love of God that helps us through those times. I know we couldn't have made it without each other, but most importantly of all we couldn't have made it without our Savior, Jesus*

*Christ.*

*Love Always,*

*You're the greatest sister in the world. I'm grateful for the time you spend with me. The day that my mom and your dad got married, I knew I was going to have the coolest older sister ever. I love you.*

*Love,*
