

Dear Shannon,

Well your finally did it!

We are so proud of you. You have grown up so fast into a beautiful young woman. We still remember your first day of high school and how nervous you were. I can't believe that soon you will be going to college. God Bless you and may all your dreams come true.

Love Always,
Mom & Dad

Shannon,

You have gone from a skinny little girl with braces to a beautiful young lady with a bright future ahead of you. I'm sorry I wasn't there to be the big brother I was supposed to be, but I know that I will always have someone to look after you even though it may not be me. Congratulations on your graduation of high school and I know you'll do great in college!

Love Always,
Lance
