

Kacey Suzanne Patrick

Kacey,

There are so many things I want for you as I watch you grow into your own life...so many wishes for you are in my heart. I wish you the pride that comes with knowing where you're from and the peace that comes with knowing who you are. I wish you the strength to face challenges with confidence and the wisdom to choose your battles carefully.

I wish you the satisfaction of seeing your goals achieved and the true contentment that is born of simple things~ work well-done, friends well loved, moments caught and cherished.

And my greatest wish is that you will always remember how much you are loved, because you are a beautiful, unique, person...one I am so proud to have for a granddaughter.

I am so very proud of you.

*Love you always,
"Nonnie"*
