

BRITTANY ANN HORNE

The day you were born you captured our hearts. We have watched you grow from a beautiful baby to a beautiful young lady. You are so special to us and remember, "you are the baby". We'll always cherish our good times together, the laughs we've shared, the pool in the back yard, shopping trips, fishing trips and the trip to New York. You are our "Rosebud". Always remember the things you were taught. Always treat everyone with respect and stay as sweet and happy as you are now. We love you very much. We are proud of you. We will always be here for you if you ever need us! Keep God in your heart and may all your future dreams come true.

We love you,
Grandpa and Grandmama
