

Chrystal,

Here you are a senior in high school. WOW! I don't see how you manage to do everything you do; go to school all day, work all the time, and manage to have personal time. You sure do have your head on rite. You'll go far in life, too. You seem to make all the right decisions without anyone having to push you or tell you how to do things. I admire you for that.

Love always and forever,
James Myzell

Chrystal,

It's hard to believe you're about to graduate. I'm so proud. Thank you for always including me in your life and keeping me smiling. You'll go far in life with your determination and attitude. I Love You!

Love Always,
Mom

Chrystal,

Even though we don't always agree with each other, I love you and I'm very proud to be your brother. I Love You!

Love,
B.J.
