

Tiffany Jackson

*Tiffany,
 We're so proud
 of you and all of your
 accomplishments. You've
 always been wise beyond
 your years. You've been a little
 mother to your older sister Brandy
 and always ready with advice for
 Crystal. But when we look at you,
 we still see that little girl carrying
 her baby doll everywhere. We trea-
 sure all of our memories with you
 and look forward to many more.
 Always remember to keep God
 first in your life.*

*We Love You!!
 Dad and Mom*

*Tiff,
 Congratulations! I can't
 beleive that you will be
 graduating. I'll miss you
 next year! Good Luck!
 I Love You,
 Brandy*

*Tiffany,
 Congratulations! We will
 miss you. Good luck in the
 future!
 We Love you,
 Kevin, Crystal,
 Haden, and Hunter*
