

Dear Heather,

After 12 years of hard work your dream is finally coming true, you're finished with school, and I'm proud of you. After the time I've spent with you, I know you can achieve anything that you set your mind to. You are very special to me and I thank GOD everyday for your friendship and love.

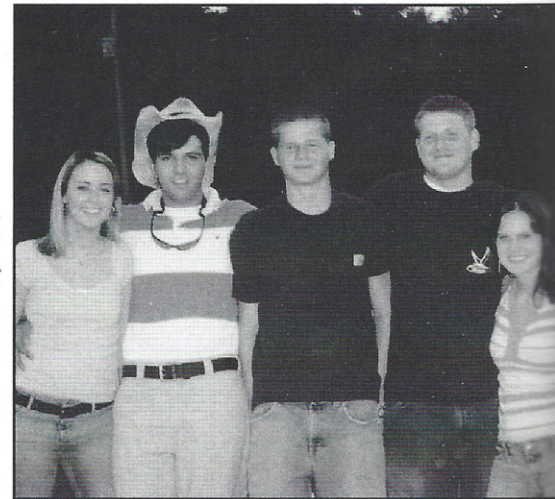

*Thanks for being a very special part of my life
Love, JEFF*

Heather,

CONGRATULATIONS! Hope you succeed in all you do. Zack and I had a great time with you and Jeff this summer!

*Your friends,
Megan & Zack*
