

SENIOR
2006

Congratulations Charlie

Your about to graduate
and take another step toward
your adulthood!

However, keep in mind; **this is but a small**
step forward.

You are getting ready to **begin a new phase**
of your journey, one where you will **take**
many major steps forward **into your future**.
There probably will be times where you may
question yourself; whether you have made the
right choices or should have done something
differently.

Stop, reach for your inner resolve, evaluate,
and move forward with confidence toward
your ultimate goal. You can and will get
there. Of this, I am certain. You may stumble
and maybe even fall a few times, just get up,
dust yourself off, and keep moving forward
toward your goal. It may seem distant at
times, but each step will carry you forward,
and ultimately, you will be able to reach out
and firmly seize your goal and command your
future.

Do not hesitate to seek help to assist you in
moving forward, be it a teacher or professor,
a trusted friend, or most importantly, you
family that loves you and will be proud of
your efforts and successes in life. We are all
very proud of you. Keep up your focus and
good work!

Love,
Papa Craig and Momma

Go Cocks! (Just keep in mind; it will be very
difficult for us to say that very often!)
