The Wonderful World of Dance  
Spring Recital  
Saturday, June 3, 2006  
5 PM  
Summerville High School Arts  
Auditorium

Taps is a professional studio that offers an opportunity for students to build character, facilitates their awareness that all choices have consequences, helps them acquire an appreciation for commitments, encourages them to develop positive attitudes, fosters their ability to interact cordially with others who may not be exactly like themselves, and promotes high achievements through instruction of dance in a loving and positive environment at a fair price to its highly valued customer.
