

EVERY LAST DETAIL

“Coolest People on Earth.”

-Amber Judy

“They are very nice and clean-up all our messes.”

-Peyton Weathers

“Congratulations on this honor of having the yearbook dedicated to you. We love you.”

-Mr. Rizzo

In every workplace, there is someone who goes beyond his or her job description. In every workplace there is someone who deserves much, much more than what they earn. In every workplace, there is someone who leaves a lasting impression on others by going above and beyond their duties.

Dorchester Academy is no exception.

In fact, DA has many people who match this description, but those are for other dedications. This year, in keeping with our theme, the Challenger staff decided to honor not one, but two, very special people who have left a lasting impression on us.

You see them everyday. They greet you every day, always with a smile and a compliment, and are always willing to help. They do little favors for you. They will offer encouragement and constant smiles. They never ask for anything in return. Their love, devotion and dedication to DA are unconditional.

As Mr. Rizzo told the yearbook staff, even visiting Headmasters from other SCISA schools have complimented their work, something most of us take for granted. However, we'd all know the difference if they weren't here! You can bet THAT would leave a lasting impression.

As they toil daily, their love for us is evident in everything they do to make our school a better place. Even so, “what is more important is the love the kids have for [them] and the love [they] both have for the kids.”

Because they have left such a lasting impression on us, it is our honor and pleasure to dedicate this edition of the Challenger, “Lasting Impressions,” to our own Mrs. Beverly Stroble and Mrs. Marvie Brown. THANKS FOR ALL YOU DO! WE LOVE YOU!
