

# Student Government Banquet

2006-2007 Student Government Officers: Sean Gruber (President), Anna Westbury (Historian), Bailey Fender (Secretary), Katie Fender (Vice-President), and Grayson Jordan (President).

Members of Student Government, parents, faculty, and guests enjoy a nice meal at the Banquet.

Jason Purvis, Town Administrator, was the speaker for the evening. Also during the banquet, held in May of 2006, the members were given certificates and the crowd was informed of the many events, fundraisers, and volunteer services that Student Government was involved with during the 2005-2006 year.
