James

James,
I am so proud of you!
You've just achieved one of the biggest goals of your life and now it is time for you to shine. These past few years have been great and we've made memories that will last a lifetime. Remember that you can do anything that you've set your mind to and if you work hard you can make your dream a reality. I love you and I'll always be there no matter what!

Heather

Time has truly flown by. Just a short time ago you were a cute little tiny girl and now are a beautiful, bright, and intelligent young lady. Remember to let God continue to guide you and nothing you choose to do will be impossible.

We love you with all our hearts!

Pappie and Mammie
Uncle Terry, Aunt Marie, Meagan and Taylor
