

Daniel

Seems like only yesterday you were running up Mrs. Rickborn's driveway on your way to four year old kindergarten. In a blink of an eye, you're graduating from high school and preparing to attend college. As you begin this next step, we pray God grants you the wisdom and courage to face life's challenges.

We are so proud of the person you've become. Thank you for the love and understanding you have always shown your sister and for being such a good "big" brother.

We wish you much success and happiness in your future plans.

Love,
Mom, Dad, and Courtney
