

Robert Hunt

Robert,

Where has the time gone, it seems like just yesterday you were off to Kindergarten, now you are a senior, we can hardly believe it. Congratulations on your graduation. We are so proud of you and all you have accomplished in life.

August 11, 1989 was a very happy day for us, you were born. We have enjoyed watching you grow. From playing T-Ball, to riding your bike for the first time, to going on your first date, and now this.

I know that you will go far and succeed in life, just keep working hard at your goals. Don't give up on your dreams, don't ever stop loving, and most of all believe in yourself, we know you can do it.

This is just the ending of another chapter in your life, with a new one waiting to begin. May your life's journey be all that you expect of it. Remember that we will always love you and will be here for you. "You will always be Momma's baby."

We love you so very much,
Mom and Dad
