"P",  
I can't believe it! My little brother is finally graduating for high school. Congratulations! It seems like only yesterday when we couldn't be around each other for more than five minutes without fighting. Now I look at you more as a friend than as a little brother. I know you'll be successful in whatever you decide to do. Good Luck and remember I'm always here for you!

Love,  
Becca

# Callie

Dear Callie,  
We are so proud of you and everything you have accomplished. We love you dearly.
