

Brooke Nicole Canady

Brooke,
It's hard to believe this day has come so soon - your high school graduation. You have been everything we could have ever dreamed of in a daughter and SO much more. We have watched you grow and accomplish so many things. We wish you the very best. You deserve it! Just know that we are here for you.

We Love You,
Daddy and Mom

Good Luck and always keep smiling.

Love,
Adam, Cody, and Meg
