

## Erica Shieder

It seems like only yesterday you came into our life. It has been wonderful watching you grow up into such a sweet, loving, young lady. We are so proud of you and your achievements. The big goal is in sight. I'm so happy you have made it. Hope you will keep on keeping on for your next goal. We are so proud of you and all you have achieved. Sometimes it amazes me the things you have accomplished.

We love you dearly, may you always be a caring person.

We wish for you all things bright and beautiful. We love you lots.
