

Cody,

We pray God will continue to bless you in a special way as you branch out in life. Always keep God in your heart and he will truly direct your paths.

We are so proud of you. Always keep that winning smile and outgoing personality you have now and I'm sure you will be successful in life.

You are a special grandson and we thank you for making us feel special with the love you have always shown to us.

We have enjoyed watching you play sports though the years seeing you do your best. We think you are an outstanding athlete.

Remember we love you very much and if you ever need us for anything, please don't hesitate to let us know.

Our prayers go with you wishing you the very best in your future.

We love you!

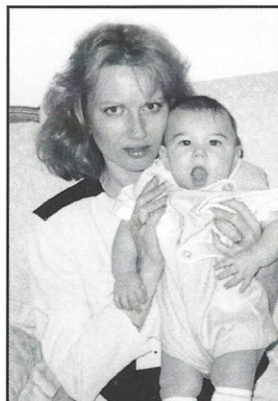

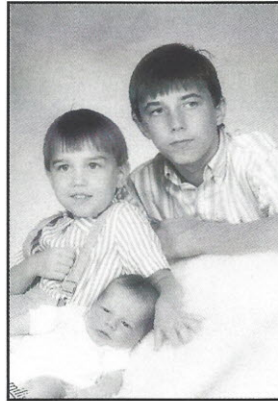

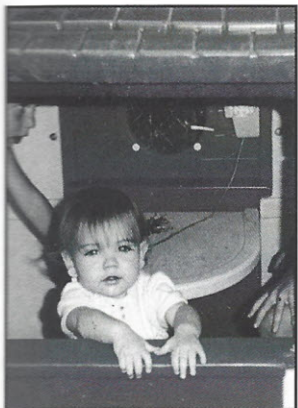

Pop and Ma Ma

## Tamara

I am so proud of the beautiful person you have become. Although you have been through a lot, you have achieved so much in your life. I couldn't have asked for a better daughter. I am so glad God chose me to be your mother and gave me the time that I've had so far to watch you grow. Always make good choices and learn from yours and others mistakes. Follow your heart, have big dreams and always keep God in your life. With that, you can't go wrong. Know that I am always here for you no matter what and I love you very much! Remember, "I'll Stand by You." That song will always remind me of you.

Love Always,  
"Mommy"
