

This annual is an attempt on the part of the staff to present a picture of John C. Calhoun Academy after five years of progress. We have tried to show a panoramic view of our studies and sports, our work and play. The Staff deeply appreciates the assistance of Mr. Richard Price, photographer, the parents and friends who have cooperated in so many ways, and the unofficial and unpaid advisors who gave their time and work to make this effort a success.

THE TALON STAFF
