

## *JV Basketball Team*

The Junior Warhawks had a highly successful season, finishing first in Region II AA with a perfect 6-0 record, and an overall record of 12-3. The JV's lost only two regular season games and the lower State Championship game. The lower State Championship was held at the Wade Hampton Gym in Orangeburg. The JV's won their first two games against Bonham and James Hammond Academy, only to lose to a fired-up Wade Hampton team in the Championship game.

Coach Cannarella is looking forward to having some of the Junior Varsity on his Varsity squad next year. With their winning attitude they should make a significant contribution to the Varsity team.
