TALON 1975 REPORTS

BACK TO THE GRIND: We were all back in school on September 9. From KINDERGARTEN to the class of '75, the sounds of pencils being sharpened and books being dropped grated against the teachers' nerves. From 8:25 'til 1:35 (we counted the minutes) we toiled diligently, but at 1:35 the bell and mass pandemonium broke loose. Then a little later some of those same kids were back, the brave and the able-bodied, heading for the "Great Gridiron." For the next couple of hours it was a little blood, a lot of sweat and maybe a few tears. They didn't win any titles, but we had lots of school spirit and hard working CHEER LEADERS. Then to the relief of COACH COVINGTON (and various members of the team) - basketball season. COACH COVINGTON coached his girls and COACH HUMPHREYS once again had a fine season with the boys. Soon new letter jackets were seen, and the older "jocks" added more bars to their letters.

About five weeks before EXAMS comes a time that brings joy to the hearts of all from K - 12: Christmas. School is shoved aside, and it's PARTY, PARTY, PARTY. Going UPTOWN becomes a hobby, and getting back on time is impossible. During this time, THE WARHAWK prints "Letters to Santa". What does a 9th grade boy want with a tall blonde with measurements 36-26-36??? This is probably the most popular request that SAINT NICK receives. The lower school's requests made more sense. They ranged from dolls that drink AND wet to the very popular EVEL KNIEVAL jump cycle. The Christmas parties were great! RUTHIE MAE left the faculty her usual bottle of "mule". Wonder what cleaning fluid does taste like???

Student Council members are elected each spring to represent the student body, and to work with the Board and Administration. Three officers are elected by the high school students and class presidents serve as representatives of the various classes. Mr. Lohr acts as advisor to the Council.

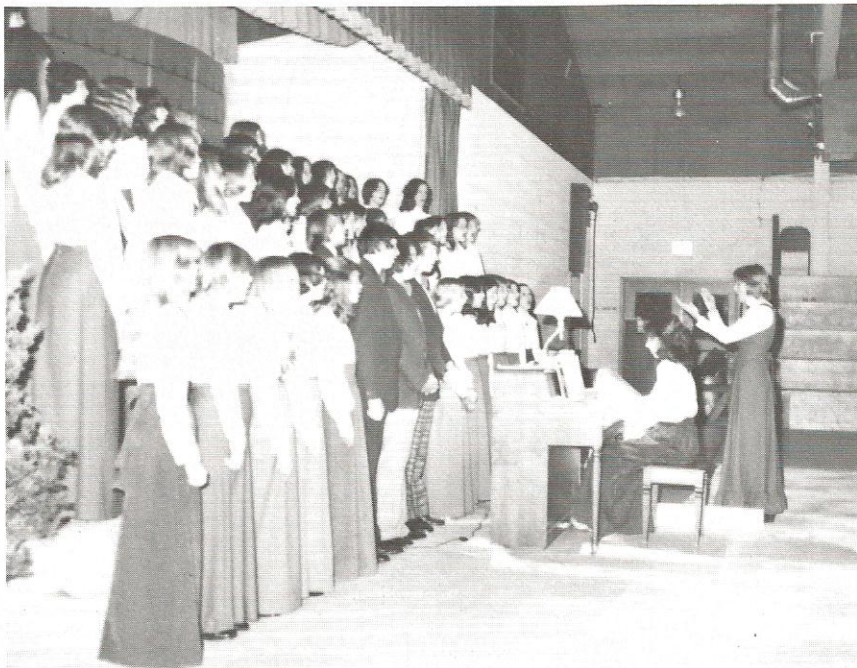

THE BAND

Three afternoons a week twenty-five students gather in the school library to practice under the direction of Mr. Gerald Polk. This is the Warhawk Band in the making, and the school anticipates the day when they will appear at all school functions.

“CAROLING

Each year the Chorus presents a December concert and a spring concert. Under their new director, Mrs. Kay Huffines, the Chorus this year presented their Christmas concert on December 18. It was a lovely way to start the holidays!

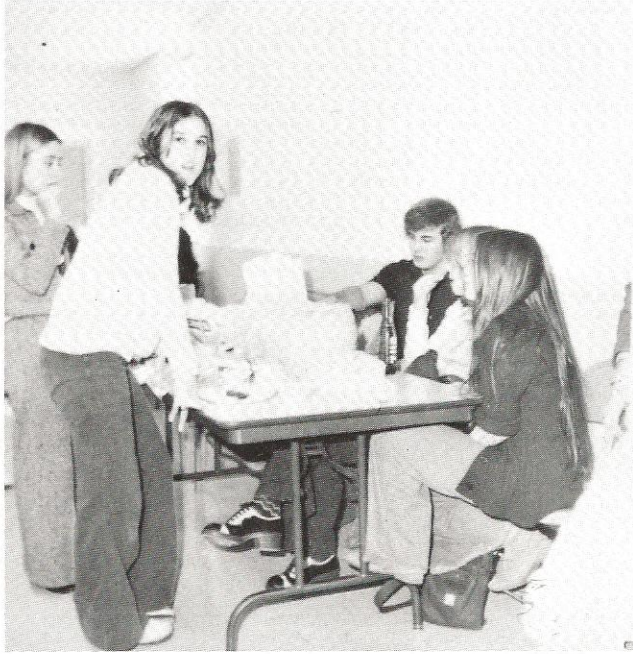

Mrs. Huffines

IN THE SNOW"

HO! HO! HO!
MERRY CHRISTMAS!

Santa Claus makes a visit every year to John C's kindergarten. With such excitement little ones can hardly eat their Christmas goodies . . .

Even the sophisticated upper classmen feel that special glow. They decorate their trees, exchange clever gifts, and plan big plans for their holidays.

HOMECOMING

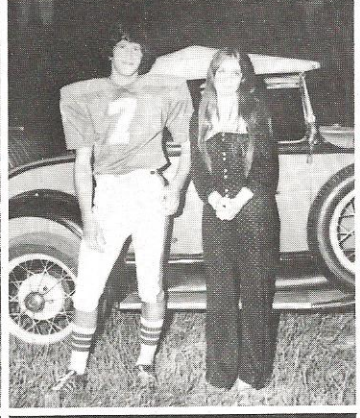

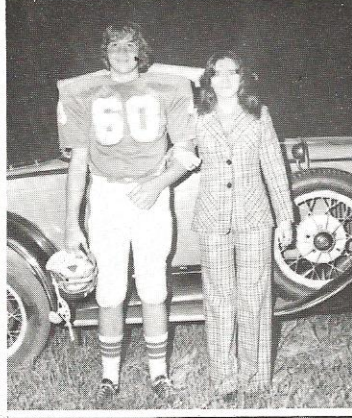

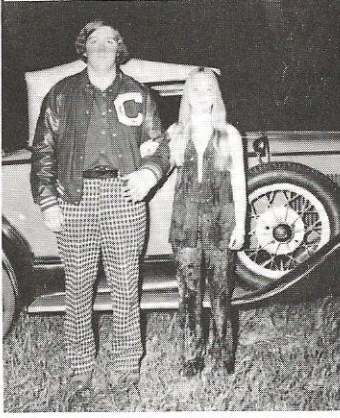

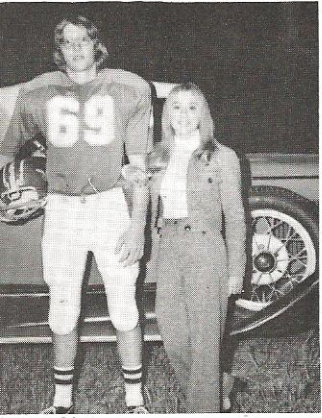

1974: PEP RALLY

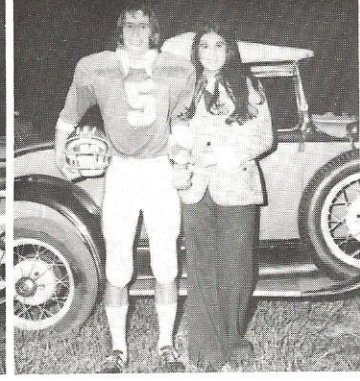

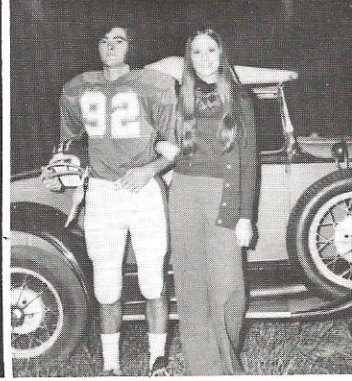

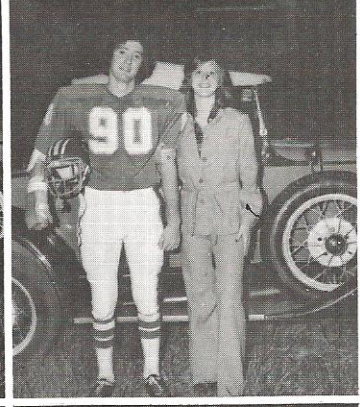

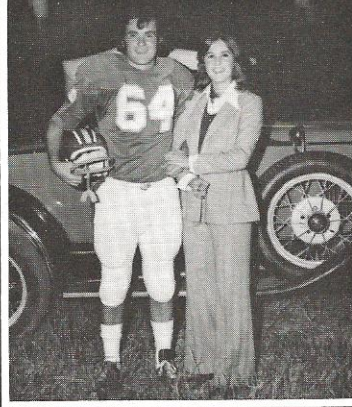

The annual Homecoming Pep Rally is a highlight of our football season. Brawny linesmen are turned into cheerleading lovelies; faculty members do their own dressing up; and enthusiasm runs as the fun builds up!

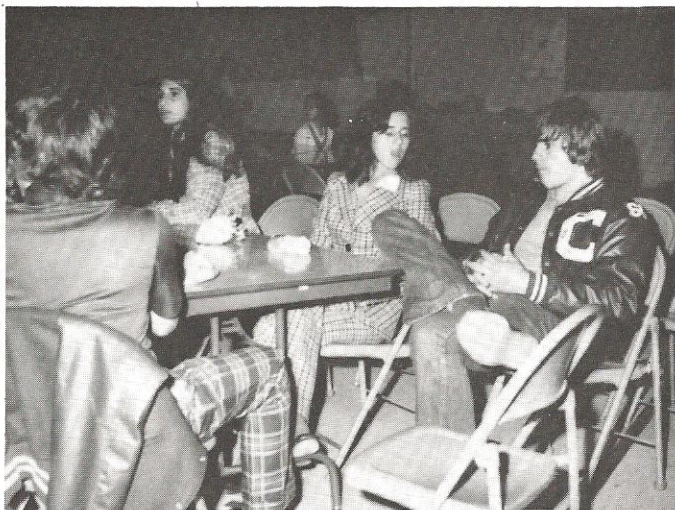

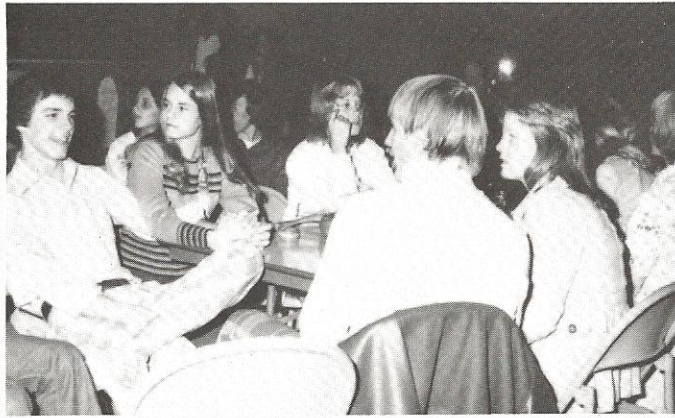

SENIORS AND SPONSORS

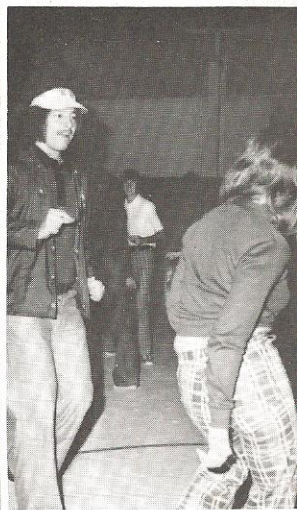

Senior players and their sponsors are: Emerson Baldwin with Amy Guess, Sandy Breland and Betsy Fincher, Gerry Girardeau and Mary Wynn Todd, Mark Hurlbutt and Sara Boynton, Greg Kight and Jan Thomas, Pete Pye and Jennie Beach, Mark Steedley and Carol Black, Bobby Thomas and Lori Foster, Jay Welch and Helen Beach.

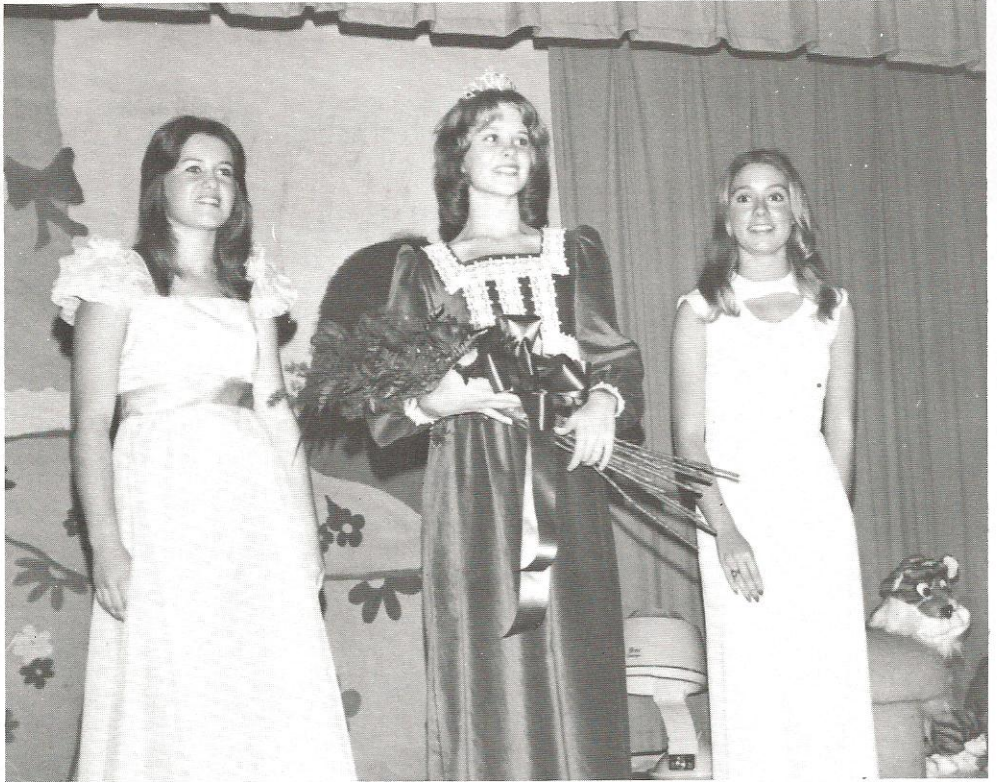

HOMECOMING DANCE

The Homecoming Dance is enjoyed each year as old friends return to John C. to share the evening with us. It's an informal, lively evening, when looking on is almost as much fun as participating.

Donna Kaye sings

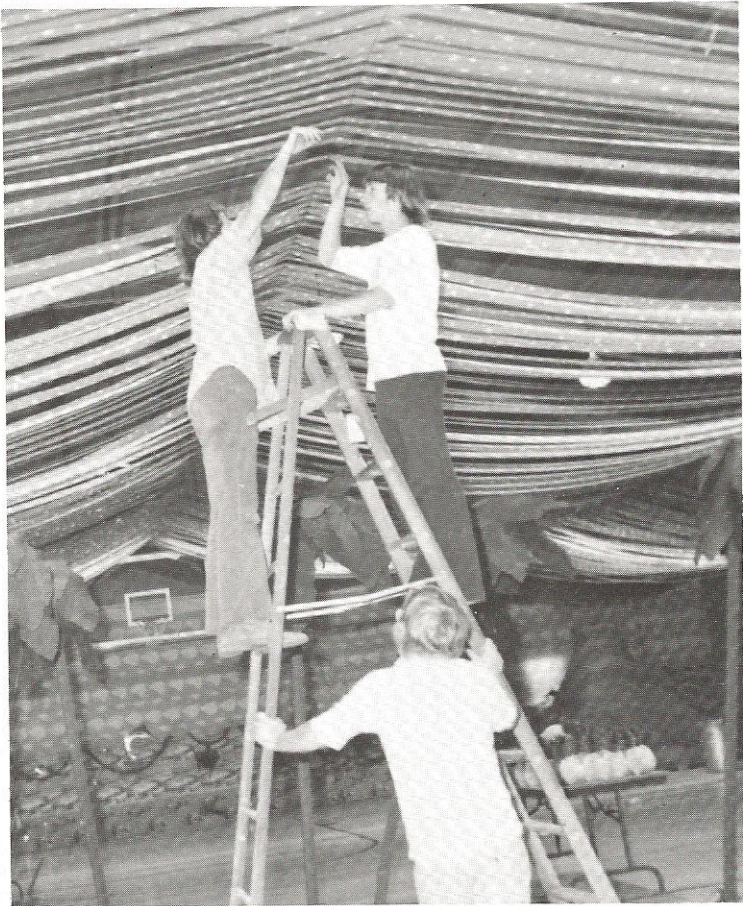

The Queen

I ENJOY BEING A GIRL . . .

In December, Miss John C. Calhoun was elected when the Junior Class (again!) sponsored a beauty contest with out-of-town judges facing up to the awesome job of selecting a winner. Four girls were chosen by their classmates to represent each of the classes. From these twenty beauties, Mary Tennant of the 8th grade was crowned. Others participating were Jennie Beach, Carol Black, Amy Guess, Debbie Smoak, Helen Beach, Karen Ordell, Maline Padgett, Lu Ann Phillips, Tammy Berry, Gayle Crosby, Kinloch Howell, Robin Strickland, Britt Covington, Denise Culpepper, Wendy Hiott, Robin Robinson, Anne Bowers, Shelly Foster and Ann Jervey. Donna Kaye Cope was chairman for this class project.

CAN THIS

LEAD TO THIS? YOU BET IT CAN!

Junior-Senior 1974

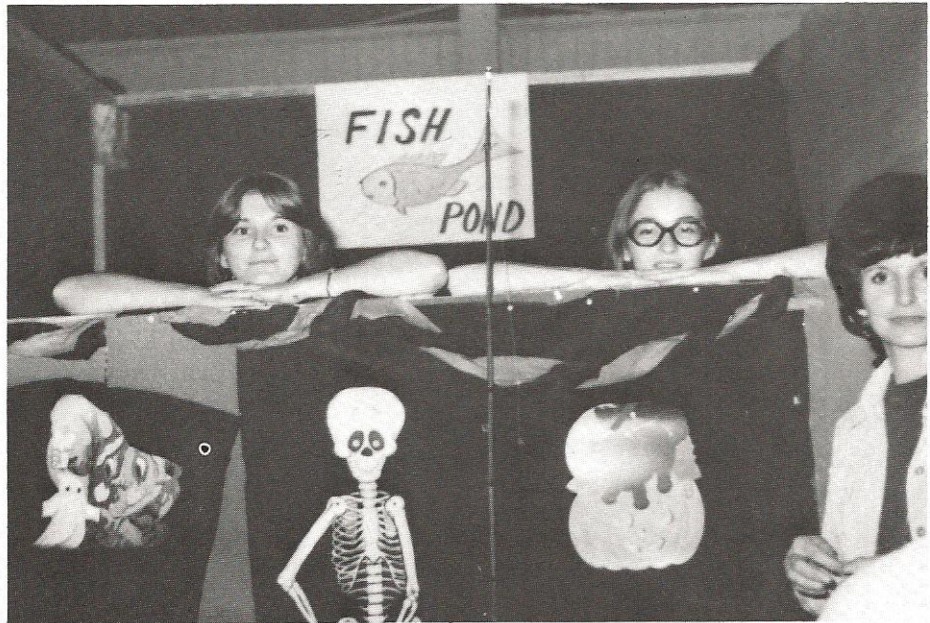

A little grass shack, swaying plam trees, scenes of sandy beaches and blue water -- all these combined to give the Senior Class of 1974 a tropical evening they will long remember. It was an Hawaiian Luau with a Southern accent. Music was provided by "Sugar Creek."

The Academy PTO supports the school with several projects each year. This fall a new addition to the schedule was a Halloween Carnival, which proved to be an enormous success. There was fun for all with Bingo for the adults, many games for the youngsters, a Horror House, a Jail, and all sorts of "spooky" surprises!

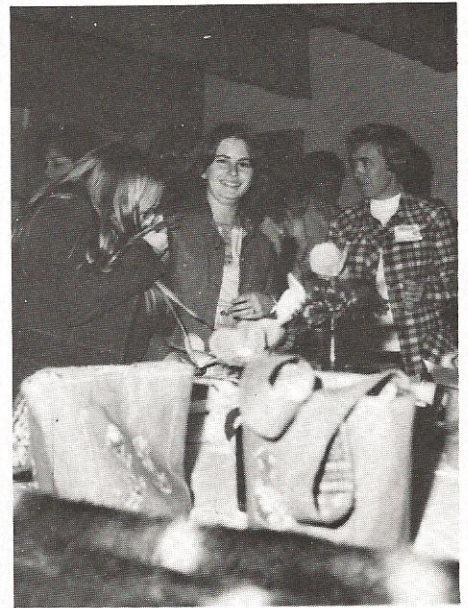

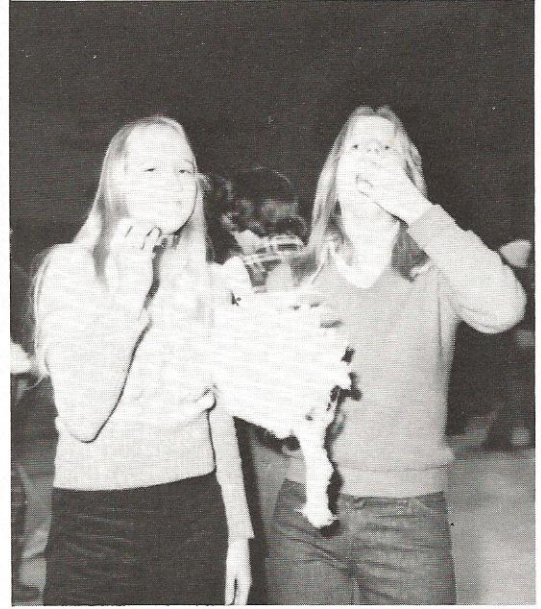

PROJECTS . . . CARNIVAL!

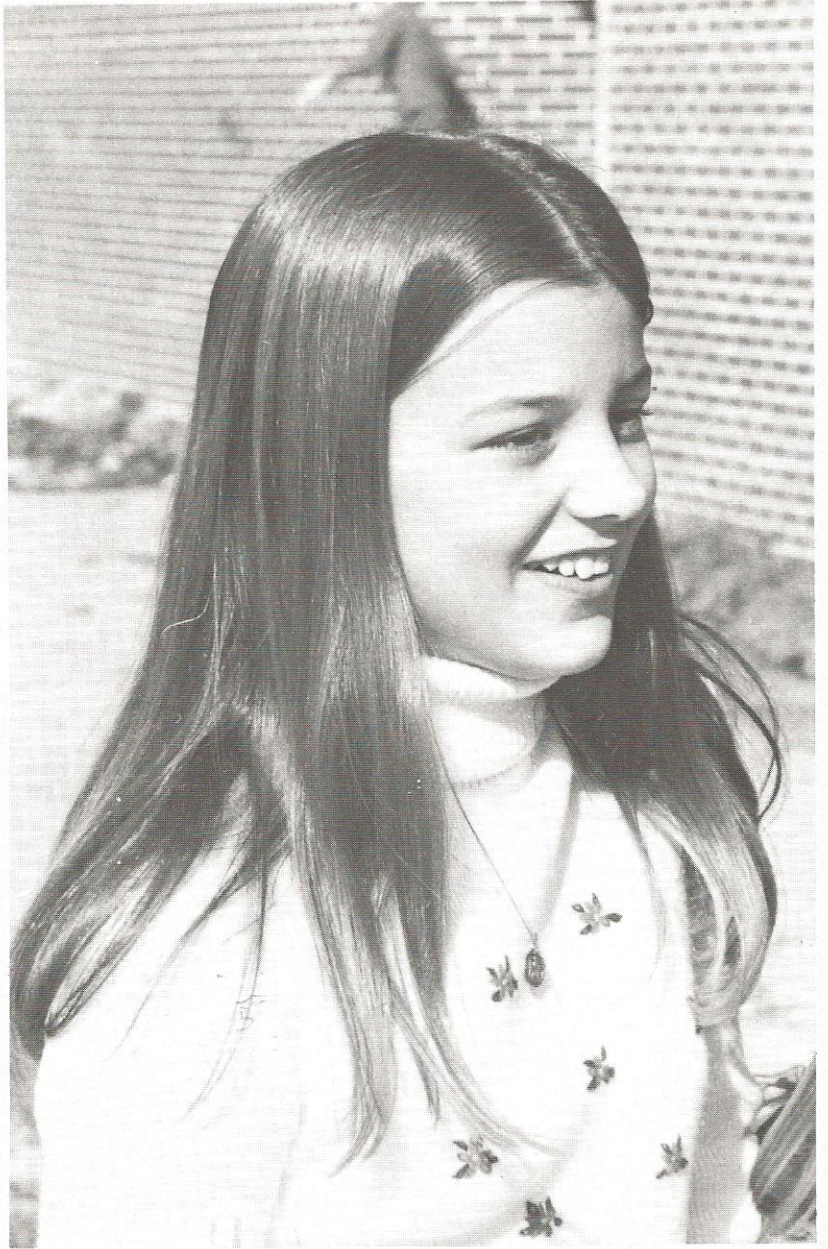

... AND THE CHRISTMAS

BAZAAR

The Christmas Bazaar is one of the original PTO projects, and is a perennial favorite. Each year it has grown in variety, in beauty, and financial rewards. This year PTO realized a whopping \$4000 from this one project! Mr. Isaiah Crosby is president of this organization this year.

There are quiet times in the midst of all the activity, all the hustle and bustle around us, when we withdraw into ourselves--our bodies in repose, our thoughts far away.

DERBY DAY 1974

the thrill of victory . . .

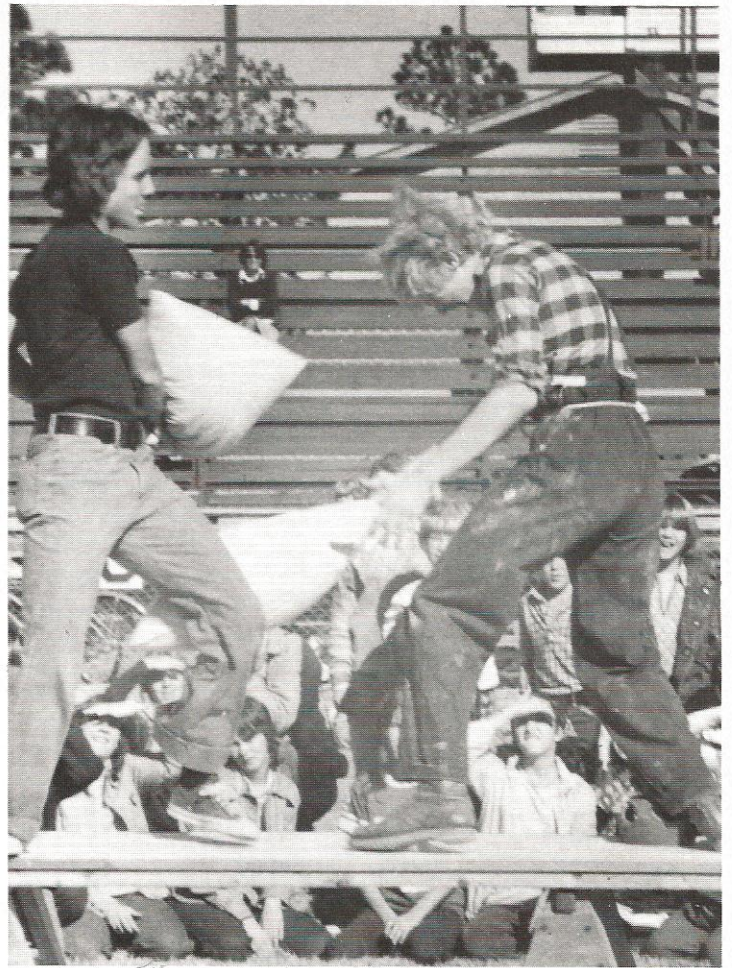

the agony of defeat . . .

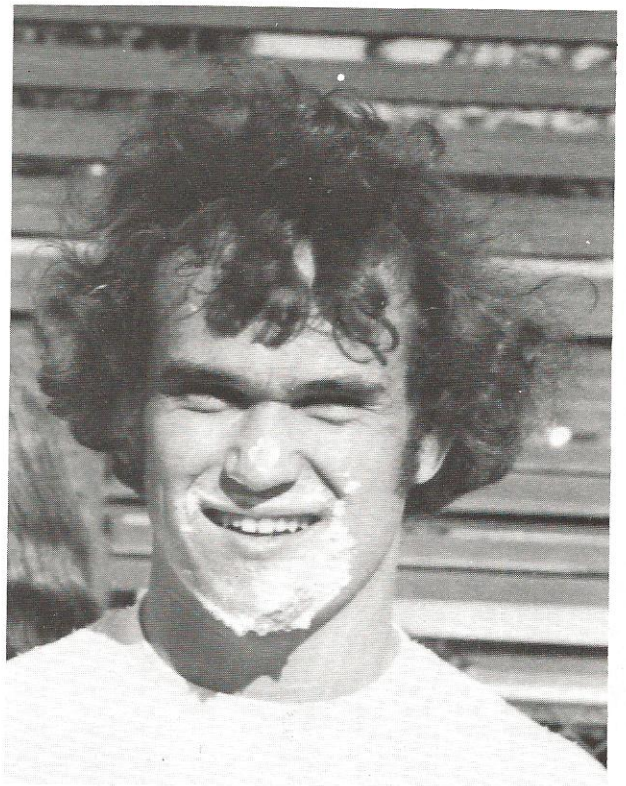

Derby Day, an event instituted this year by the eternally money-hungry Junior Class, was immediately welcomed by the entire school. Under the capable chairmanship of George Allen Jackson, thirty individual events were planned; at the end of the day the accumulated totals for each class were tabulated. The Senior Class emerged the winners of the first Annual Derby Day.

There was an event to fit everybody's talent- pie-eating contest, three-legged race, tug-of-war, sack-race, baby bottle drinking contest, etc. etc.

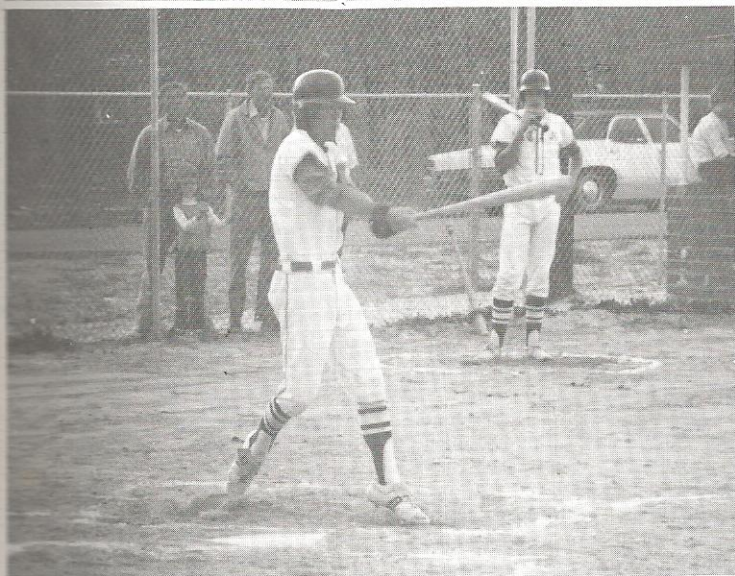

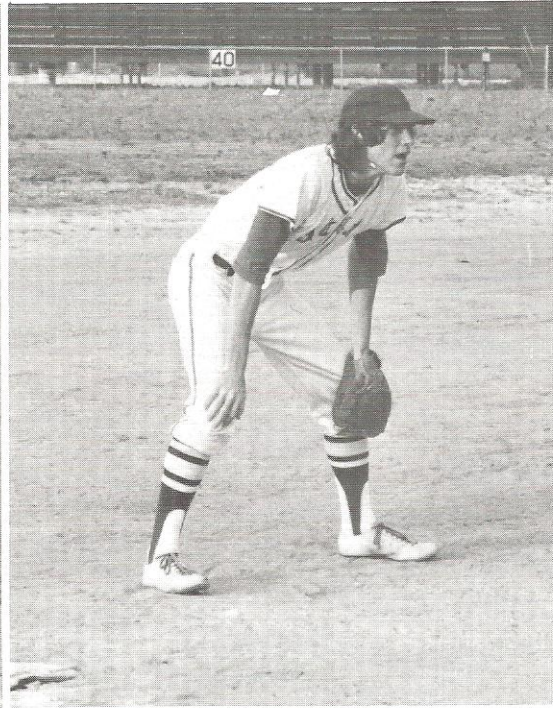

BASEBALL 1974

MR. THOMAS LOHR

To MR. LOHR, our headmaster, we dedicate this edition of The Talon - in gratitude for his affability, his helpfulness, his diligence . . . for his discipline, firm but just . . . and finally for his sense of fun and his ability to enjoy most of the things he has to put up with!

As the advertisements say - "You've come a long way, baby", and John C has done just that. In a very few years, our school has grown from an embryonic institution in a borrowed building to a healthy, energetic academy housed in several buildings on its own campus.

Many supporters and friends have contributed to the well-being of the Academy, and we do not minimize their help. But there would be no Academy at all if it had not been for the foresight, the determination, and the dedication of that group of people whom we now salute - our Board of Directors. They have supported the school with their hearts, their minds, their hands, and their pocketbooks. We thank you.

T.V. TELETYPE: WALTERBORO

TALON 1975 REPORTS

A NEW YEAR and the teachers let us have both barrels the first day. MRS. HAYNES assigned the 18th century for the next day and MR. MCBRIDE gave a pop test. It was fun to reflect upon last year's activities. Who could ever forget DERBY DAY when the SENIORS reigned over all. We cried over grades that should have been better going into exams . . . Oh! if we could only exempt! We took our exams . . . they were tough but we all survived. Would the SENIORS go on their much talked-about trip?? LORI wanted to go the the BAHAMAS and AMY wanted to explore the WEST. A trip to EDISTO in BUD'S bus seemed much more likely.

LOWER SCHOOL breaks usually included a very rough and tumble touch (?) football game. Playing right in the middle of the boys this year was a girl. Rumors still persist that she will be trying out for J V FOOTBALL next year. A real strike against COACH McBRIDE'S male supremacy complex!! The JUNIOR CLASS worked diligently selling all kinds of goodies to the school. At times they asked themselves if JR-SR was worth it all. Poor MRS. FENNELLS - she works harder than anyone else. The KINDERGARTEN set learned many different songs this year. BETSY taught them such old time favorites as LITTLE DUCKY DADDLE. Who knows, maybe in that little group of monotones, we'll have another DONNA KAYE. The KINDERGARTEN also presented a play at their graduation ceremonies. A multi-talented group.

The CHORUS, under the direction of MRS. HUFFINES, gave a great Christmas CONCERT, with a promise to repeat the pleasure with another at the end of school.

SPRING gave us both the baseball and golf enthusiasts. The GOLFERS made sure everyone was aware of their presence. They could be seen walking around with their own personalized golf shirts on, and chewing on golf tees. BASEBALL gloves and balls soon replaced the touch football games on campus, and "broken window" became dirty words.

SURFING trips mushroomed out of thin air, and as soon as the weather became warm enough, the SURFER types could be seen heading for the BEACH. Their policy was to ALWAYS keep their surfboard racks on their cars . . . looking the part is important.

MR. LOHR'S patience with our SPRING FEVER seemed to be endless. As March turned to April, concentrating on WORLD GEOGRAPHY seemed impossible . . . French was Greek . . . and making it to 5th period class after the break couldn't be accomplished on time. SPRING BREAK soon came and house parties at the BEACH, riding around town, and DAIRY LAND were all part of the scene. As student and teachers returned to school, tanned and relaxed, the end of the year seemed very close. There were many "Countdown Calendars" were made . . . and yells of "18 more school days left" echoed in the halls. Teachers started pushing toward exam time . . . and there seemed to be more work to do at this time of the year than ever before. Projects due, term papers to turn in, oral reports, memory work . . . when will it all end??

The end came very suddenly, in a bustle of activity. Those who had to face exams did so. Those who exempted breathed a sigh of relief . . . and planned for the SUMMER. As the year ended with graduation only a few days away it was the time for the SENIORS to look back and reflect on their last twelve years. The graduating class was a mixture of different people with different backgrounds . . . but they all shared many moments together at JOHN C. CALHOUN ACADEMY. They all look forward to this moment, and now that the time is near, they don't want to go. A few have been together all the 12 years, but the time has come to look forward . . . and to part ways. There will be some tears, and some quiet reflection of memories shared. Promises of "I'll see you soon" are soon replaced with, "My cap and gown don't FIT!! What am I going to do?" Years from now they'll meet and remember when they wrote their names on the wall in MR. WALLACE'S class with Hershey Bars . . . and they'll laugh.
