

THE TOTAL YEAR

1977-1978 . . . What made this year unique? What will you recall when you think back ten years from now? Twenty years from now? You will remember **FRIENDS** . . . those with whom you worked in classes or in the canteen or on the baseball field . . . You will remember the **FADS** . . . the records that you listened to . . . the styles you wore . . . the way you wore your hair . . . You will remember your **TEACHERS** . . . the rough time you had under Mrs. So and So . . . the funny little quirk that teacher had . . . or those horrible tests that all came at the same time . . .

Each year at John C has some features that are similar — but each year develops its own uniqueness. Every year, some old faces are subtracted, some new faces added. Each year we attempt new things, testing ourselves, trying out the new person we are constantly becoming.
