

# THE TALON

The 1977-78 yearbook staff was a small one, but the few who worked worked hard! Producing a yearbook is almost a year-round job; as soon as one deadline has been met, the next one looms in sight. It is always a challenge to come up with fresh ideas, fresh approaches, and often it seems to be more of a chore than a challenge--but all labor is rewarded when the yearbooks, bound and beautiful, arrive the first of May.
