

The Warhawk

The Warhawk Staff, in its 11th year of existence, has the task of creating 6 issues of the **Warhawk**, our school newspaper. The members of the staff sign up and are selected by the advisor and members of the editorial staff based on their interest, capability, and dependability.

Each **Warhawk** contains articles of news from Kindergarten through the twelfth grade, articles about school happenings, a teacher of the month, and 2 students of the month. All of the students at J.C.C.A. thoroughly enjoy **The Warhawk**.
