

The varsity football team, coached by "Red" Bounds, showed much effort and determination throughout the year, but were able only to capture one victory. Their new coach was assisted by Richard Smith, Bruce Wimberly, and Rev. Archie Evans. They showed much interest in the outcome of each game, and helped shape up the moral of the team. Coach Bounds said the record was an improvement over last year but not as much as he had hoped. Next year is hoped to be much better with the upcoming boys from the junior varsity squad.
