## *Our Spirit . . .*

**Rosemary Bailey**

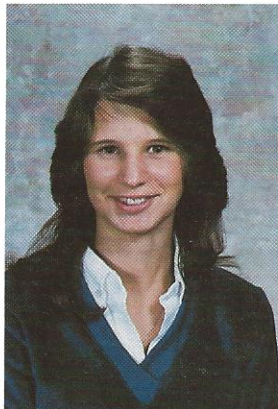

**Scott Bailey**

It's the ring on your finger engraved with the number "81." It's ordering tassels and signing yearbooks for one last time. It's turning in a uniform after the last game or finding new meaning to the word "accepted." It's exciting and nerve wracking-it's your Senior Year.

The Class of '81 represents all of the things the word "Senior" denotes. We've mastered the art of "door-to-door" and coaxing "donations for a worthy cause." The class has learned to work together and get things done. So as a salute to our high school days there was "Sail On" for the 1980 Jr.-Sr. and the Senior Trip. Fun and frustration, memories and future plans-all are a part of the spirit of the Class of '81.
