What Makes YOU Special...?

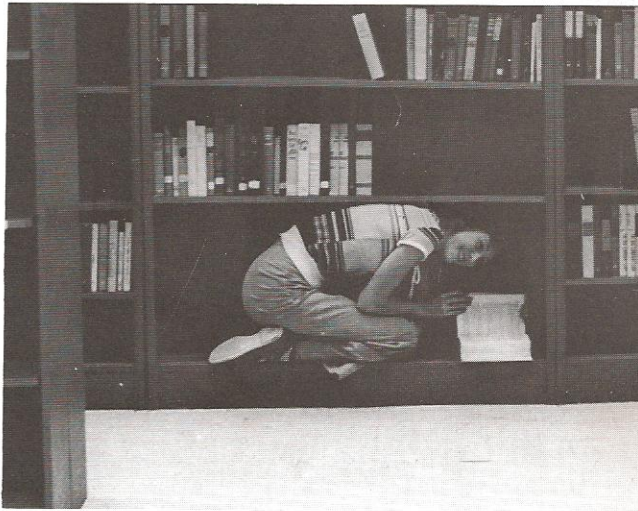

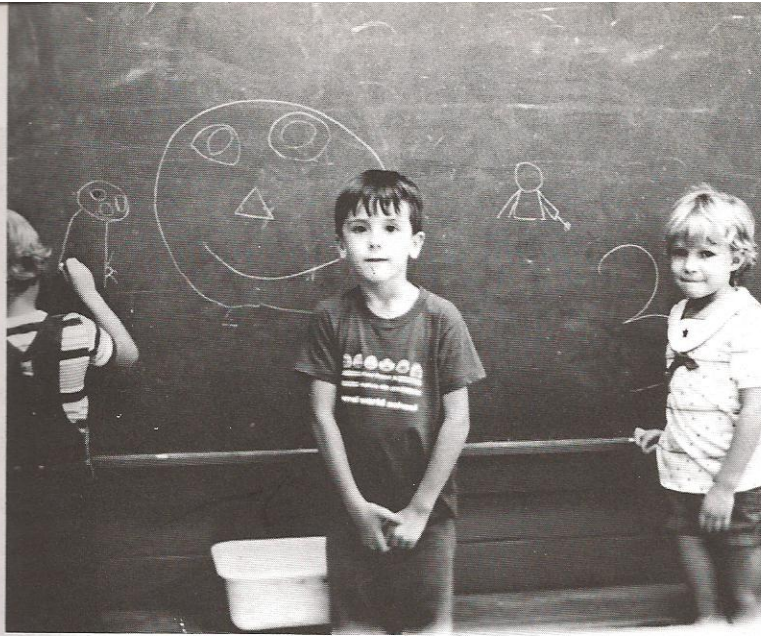

Who Likes

Ice Cream?

There is no doubt about it, everyone likes ice cream! Everyone's favorite-chocolate (what else?). Other favorites-vanilla, strawberry, chocolate chip, and the most unusual flavor, blueberry swirl.

Do YOU Watch T.V.?

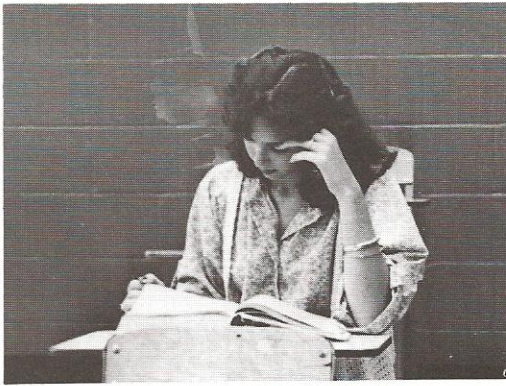

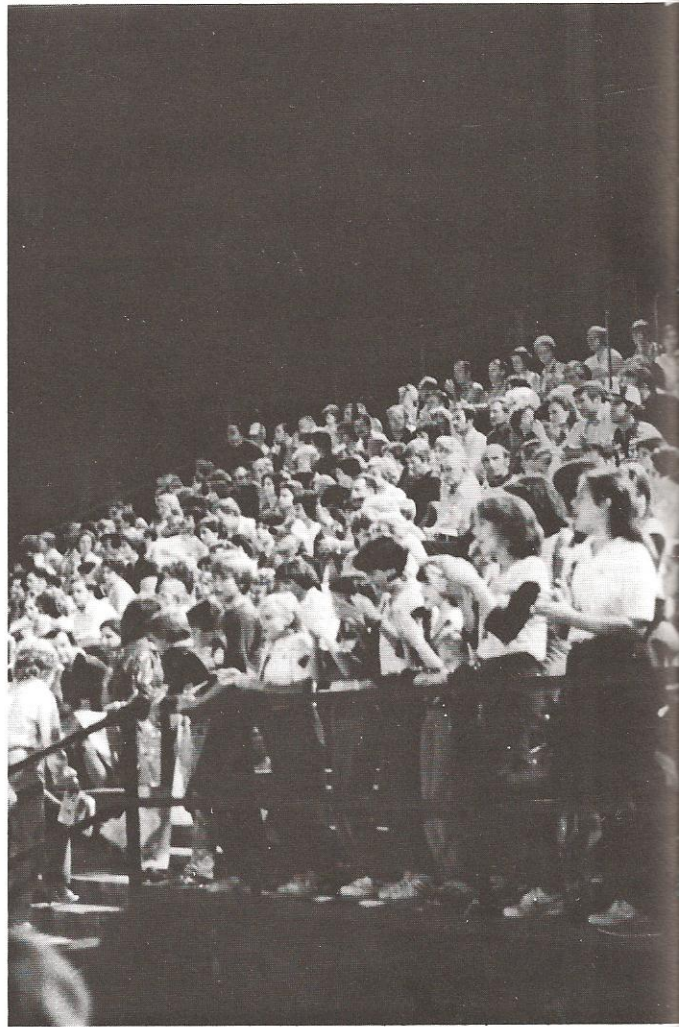

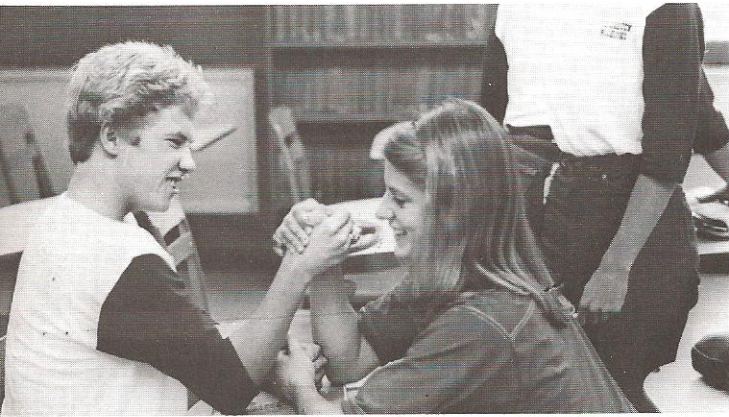

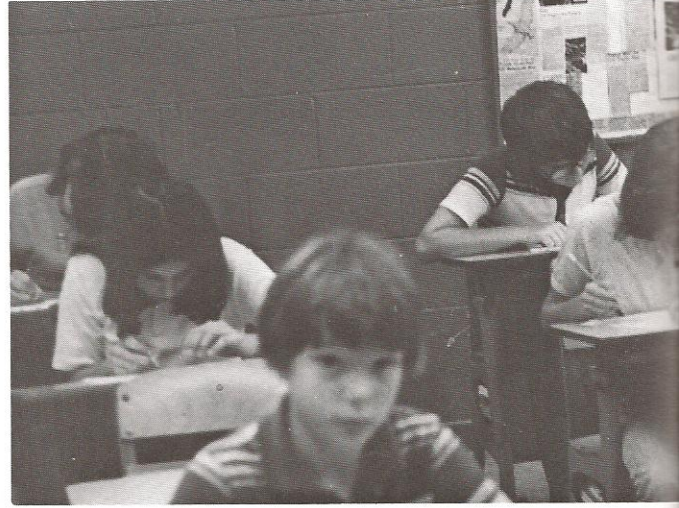

Television (also referred to as the "Boob Tube" by many teachers) has a big audience daily. J.C.C.A. students spend an average of three and one-half hours a day watching T.V. What night is everybody's favorite to watch T.V.? Friday and Saturday nights are the most popular. Of course, many students watch every night!

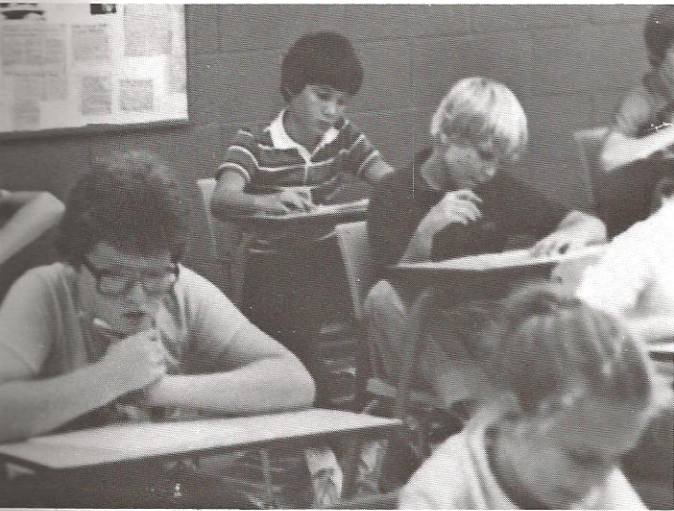

The Top 5

1. The Dukes of Hazzard
2. Dallas
3. M*A*S*H
4. General Hospital
5. (Tie) Three's Company and Monday Night Football

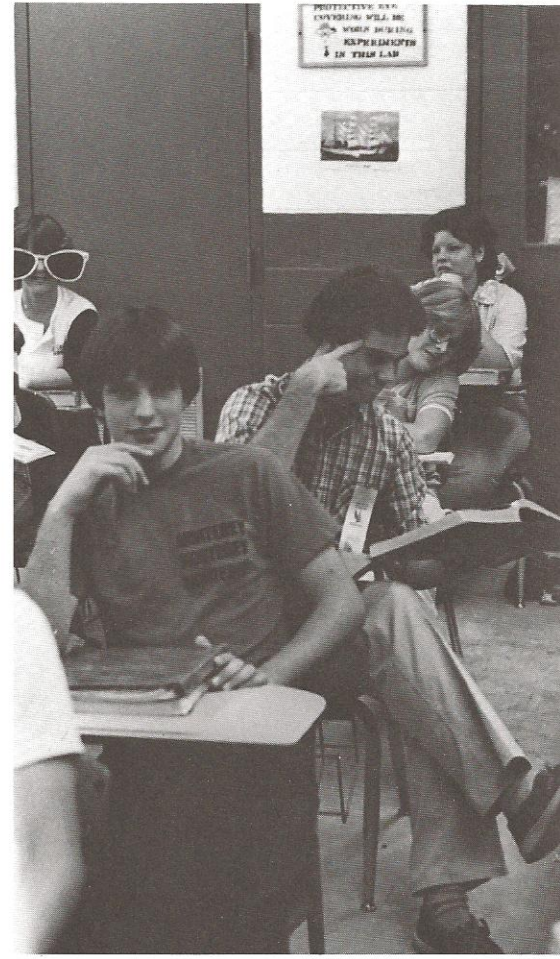

Blondes, Brunettes,

J.C.C.A. has a variety of students with a variety of hair colors. The majority of students are brunette, but there are also many blondes and redheads. Blondes definitely think they have more fun. Students with red hair have a rough time with nicknames, such as "Red", "Carrot Top", and "Freckles"!

Redheads

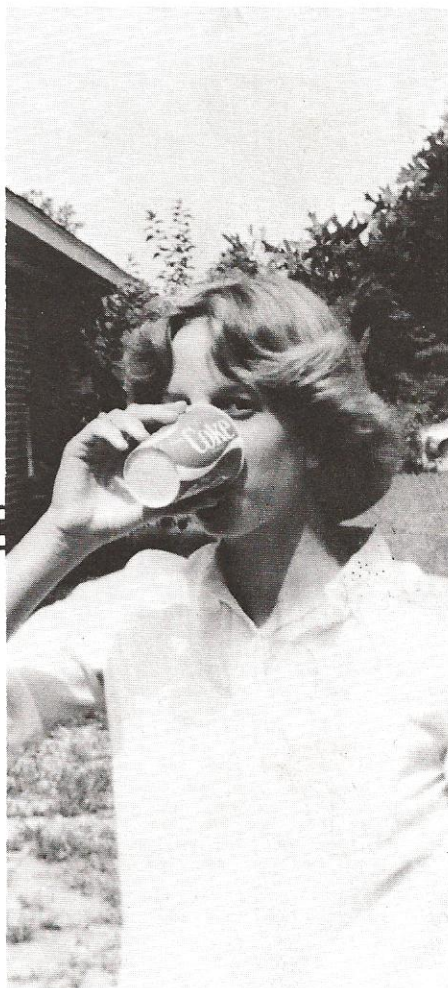

Believe I Ate I Can't

The Whole Thing!

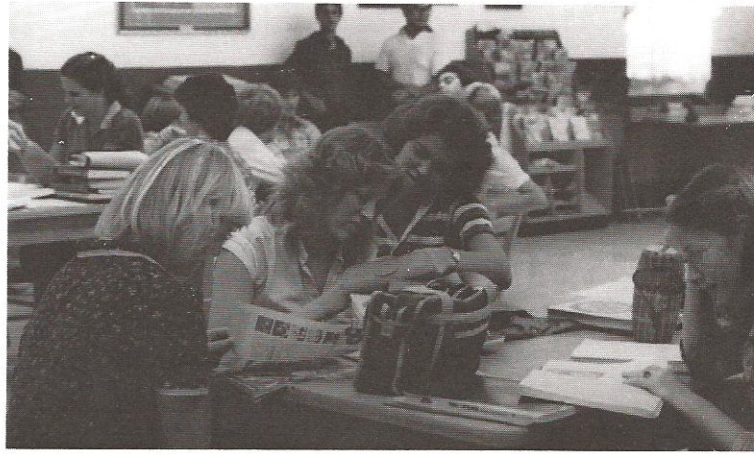

One thing everyone likes to do-EAT! What do J.C.C.A. students eat? Pizza was the number one choice, and close behind were steak, seafood, and fried chicken. The number one drink-"the real thing"-Coke! Where do Calhoun students eat in Walterboro? Pizza Hut and McDonalds are the most frequently visited; however, home cooked meals are close behind. A dieter's enemy-candy, but everyone loves Snickers!

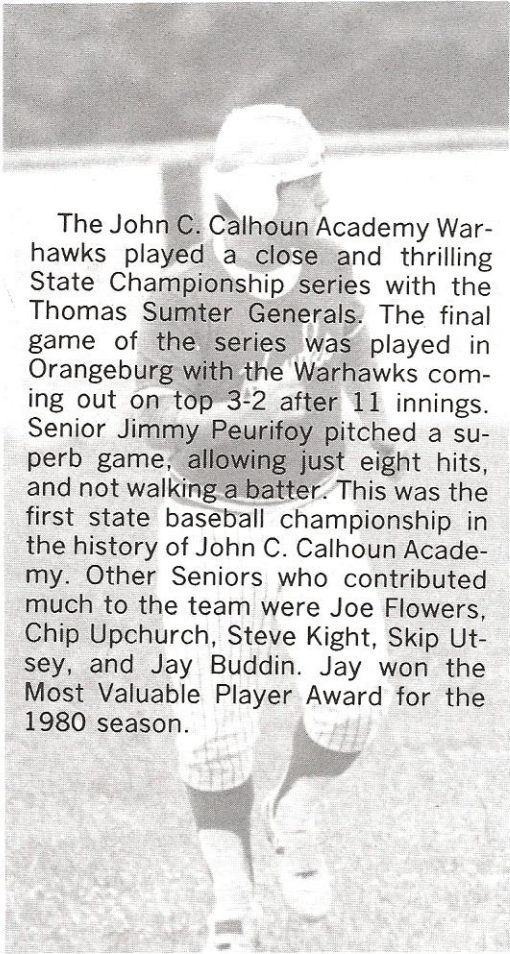

Boys Plus Girls Equal...

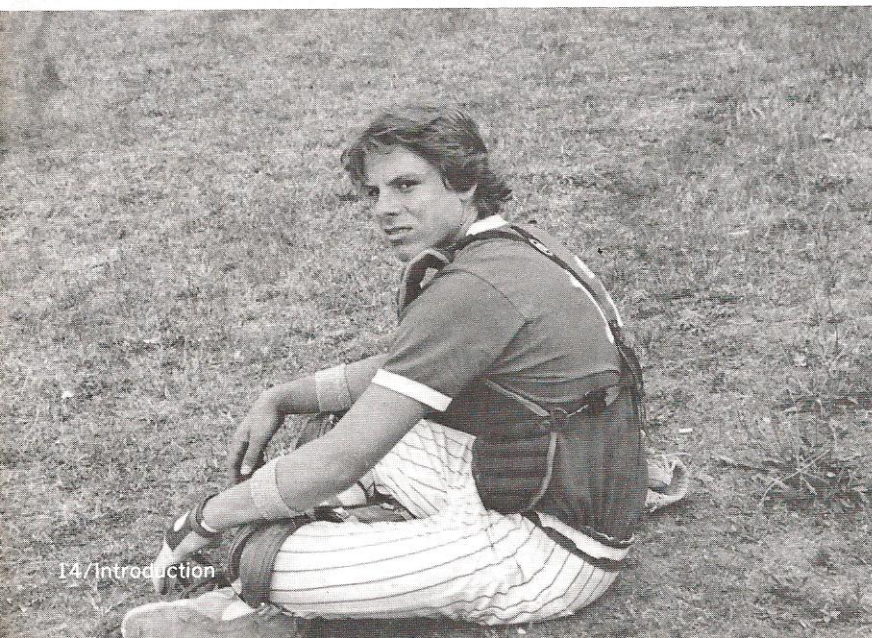

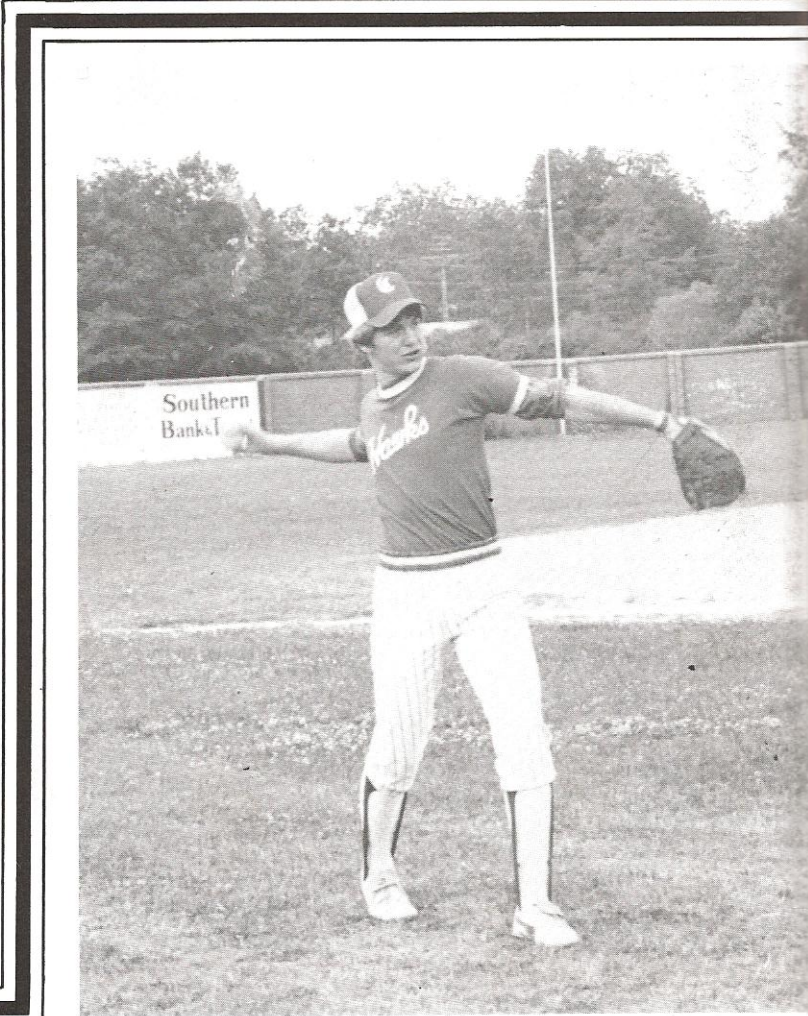

The dating game-all teenagers play it. Some students like to go steady, and others prefer dating different people. Where does everyone go on a date in Walterboro? Apparently, they don't! Everyone would rather go to Charleston, Orangeburg, or Edisto Beach. The majority of students plan to get married, but in the future, not NOW! And when they are married, most want two children, no more!

State Champs In '80

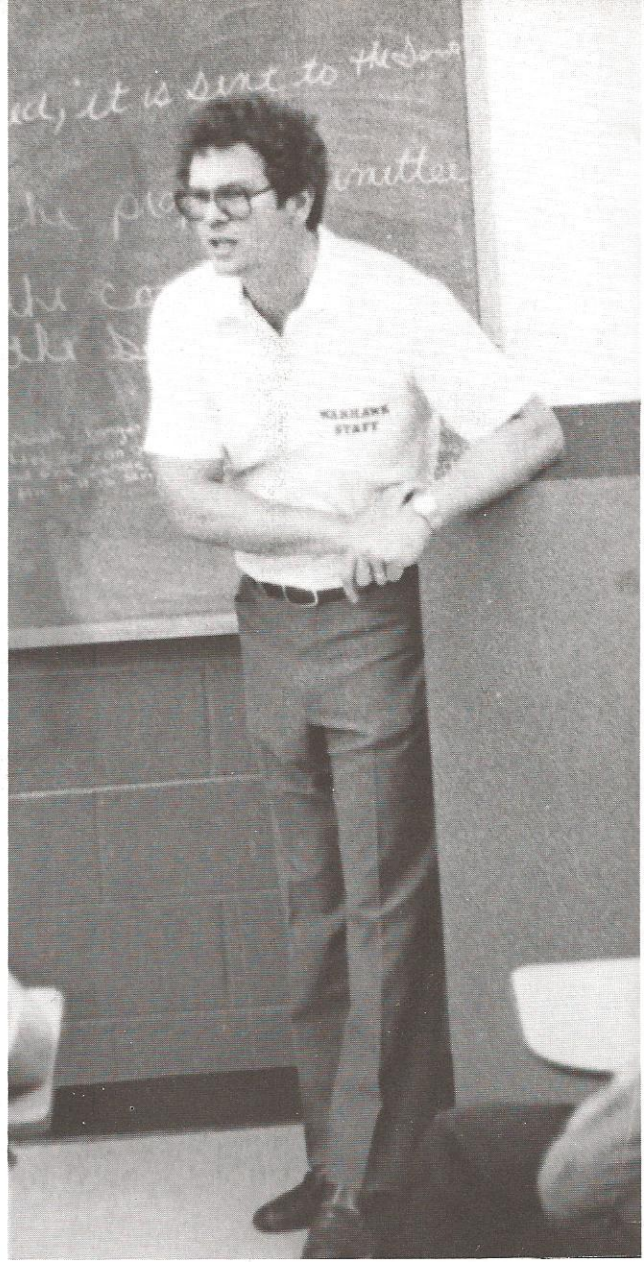

The John C. Calhoun Academy Warhawks played a close and thrilling State Championship series with the Thomas Sumter Generals. The final game of the series was played in Orangeburg with the Warhawks coming out on top 3-2 after 11 innings. Senior Jimmy Peurifoy pitched a superb game, allowing just eight hits, and not walking a batter. This was the first state baseball championship in the history of John C. Calhoun Academy. Other Seniors who contributed much to the team were Joe Flowers, Chip Upchurch, Steve Kight, Skip Utsey, and Jay Buddin. Jay won the Most Valuable Player Award for the 1980 season.

YOU Make You Special

"To be nobody-but-myself-in a world which is doing its best, night and day, to make you everybody else-means to fight the hardest battle which any human being can fight, and never stop fighting."

E.E. Cummings

Advised by Mrs. Linder, members of the NHS are frequently called upon as community leaders. During the spring of '79, several of the Honor Society members from J.C.C.A. volunteered their time to aid in an American Cancer Society collection at the Rice Festival.

Every year, when the new members are selected, they officially join the society with a candle lighting ceremony and a pledge to uphold the NHS standards of scholarship, service, leadership, and character.

Award Winning

Talon

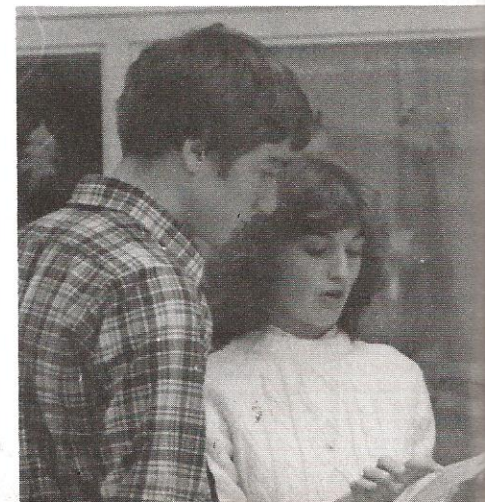

Staff

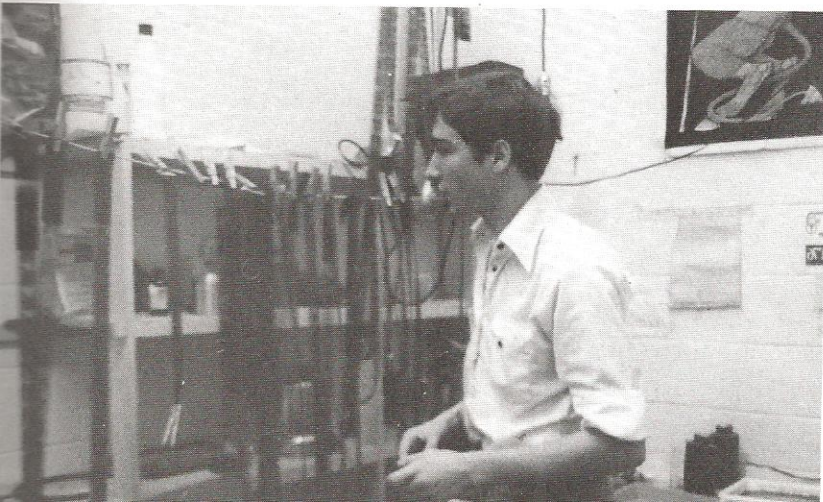

The Annual Staff worked diligently to create a memory book that would recapture the year 1980-81. This year's staff was a group of hard-working people who endured the agony of deadlines. Last summer 10 members of the staff went to an Annual Staff Workshop at Wofford College. Randy Warren won the first place photography award. The rest of the staff brought back the first runner-up trophy for layout design.

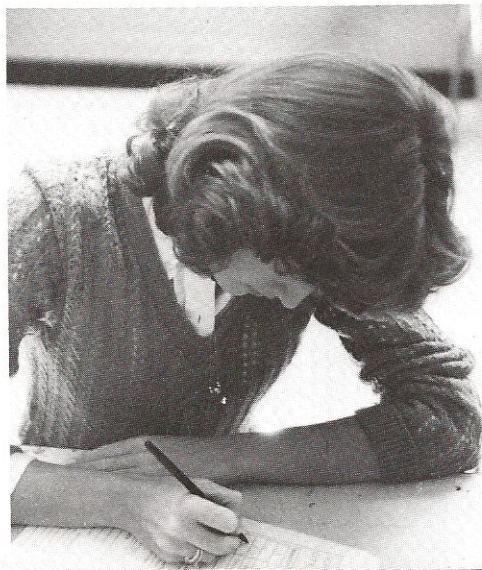

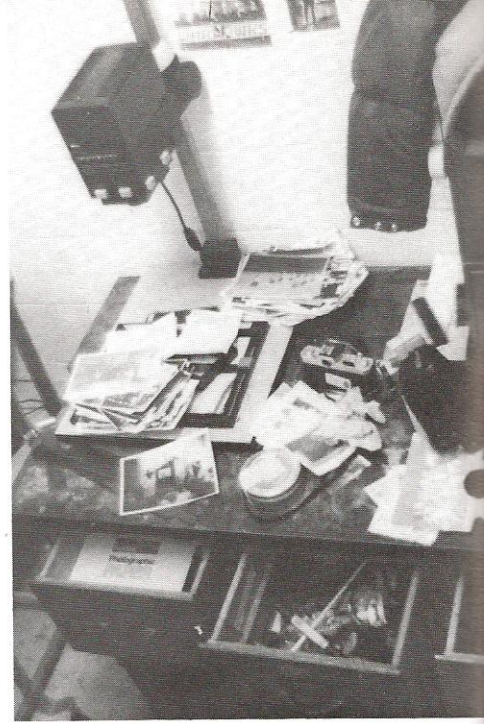

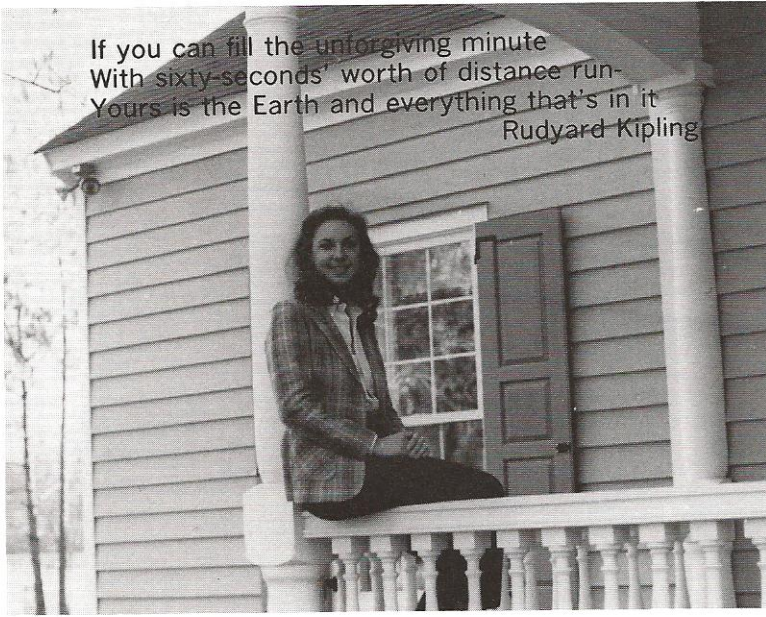

As Editor, I would especially like to thank Mrs. Susan Nettles, our very understanding advisor, for all of her help in our many times of crises. Even though both of us experienced headaches and sleepless nights, I feel that our unyielding efforts were well worth it. The 1981 Talon is evidence.

ADVISOR

Mrs. Janis Blocker

The Warhawk, the proud publication of John C. Calhoun Academy, has once again put forth some of the best journalism around. This year's staff under Editors Griffin, Craven, Hipp, and Garris has worked to bring freedom of the press to the halls of our school. Once again Mrs. Janis Blocker has given up much of her already scarce free time to sponsor this newspaper. The 1980-81 school year has shown many changes including a larger and more informative paper which has been enthusiastically accepted by everyone. Everybody is certain that **The Warhawk's** staff will continue to make John C. proud with its hard work.

**Warhawk
DJ's
The Broadcast
Club**

Sponsored by Mrs. Janis Blocker, the **Broadcast Club** is composed of juniors and seniors who have an interest in broadcast journalism. Each week the Club produces a 30-minute radio show which is broadcast over WALD.

The Club has won numerous state awards in programming for comedy, sportscasting, and news reporting. In 1979, Skip Utsey was named Broadcaster of the Year. Sandy Rogers held the state office for the current year. Nicole Garris, Stephany Griffin, and Jack Liles represented the Club in the statewide radio and television High School News Quiz contest and were among the state finalists.

***Foreign Cultures
Here At
Home***

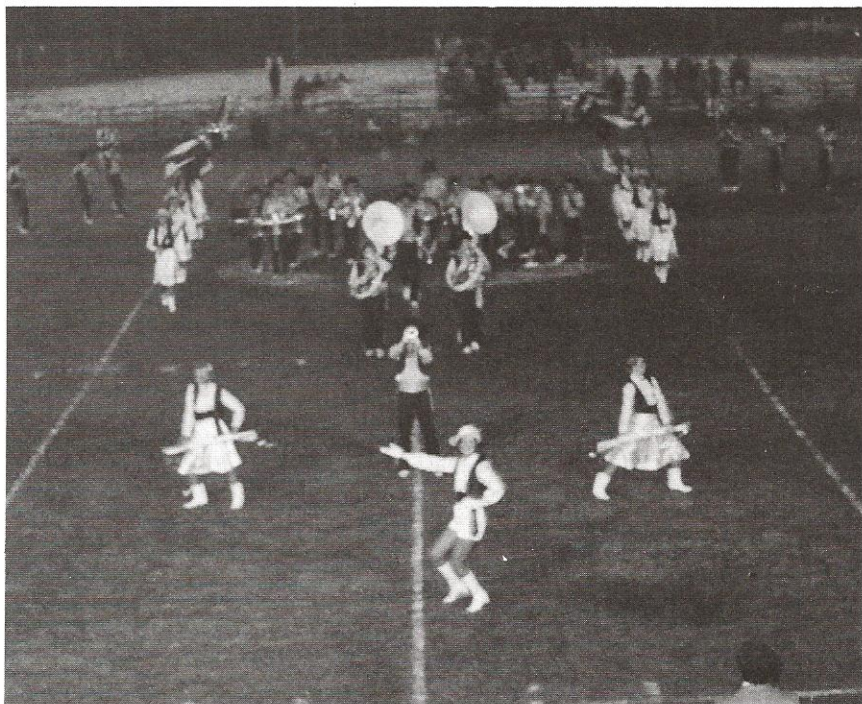

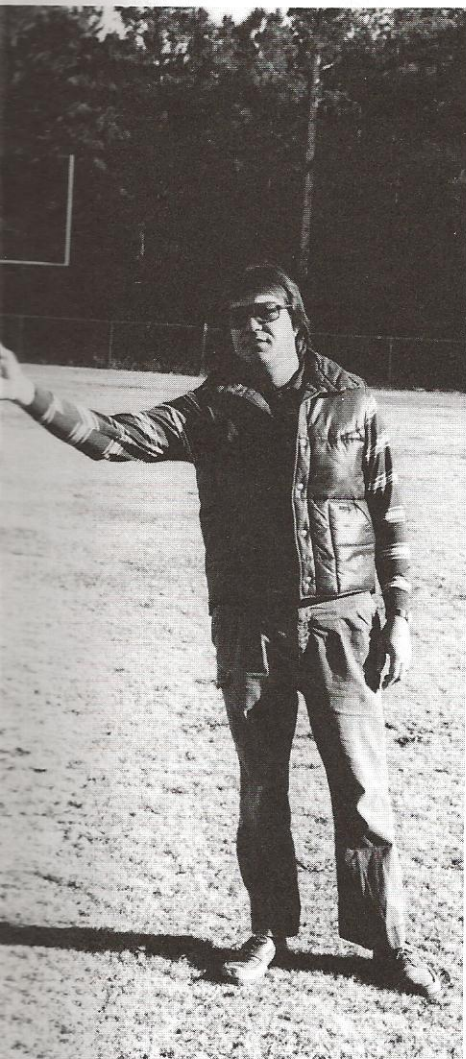

The newly formed **French Club**, which was made up of about 40 members, was sponsored by Mrs. Nicole Tramel. Officers elected for 1980-81 were as follows: Pres.-Lesley Foster, Vice Pres.-Carmen Long, Sec.-Grace Ann Mitchell, and Treas.-Jodi Baggett. Throughout the year, the French Club went on various retreats to increase their knowledge of French culture. During spring break, some members of the Club went to Quebec, Canada.

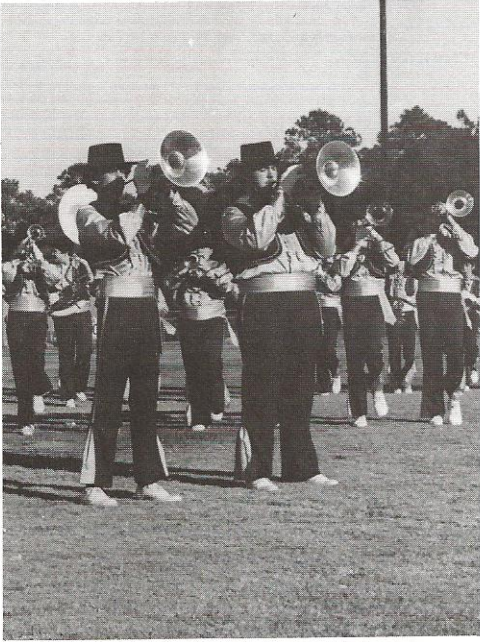

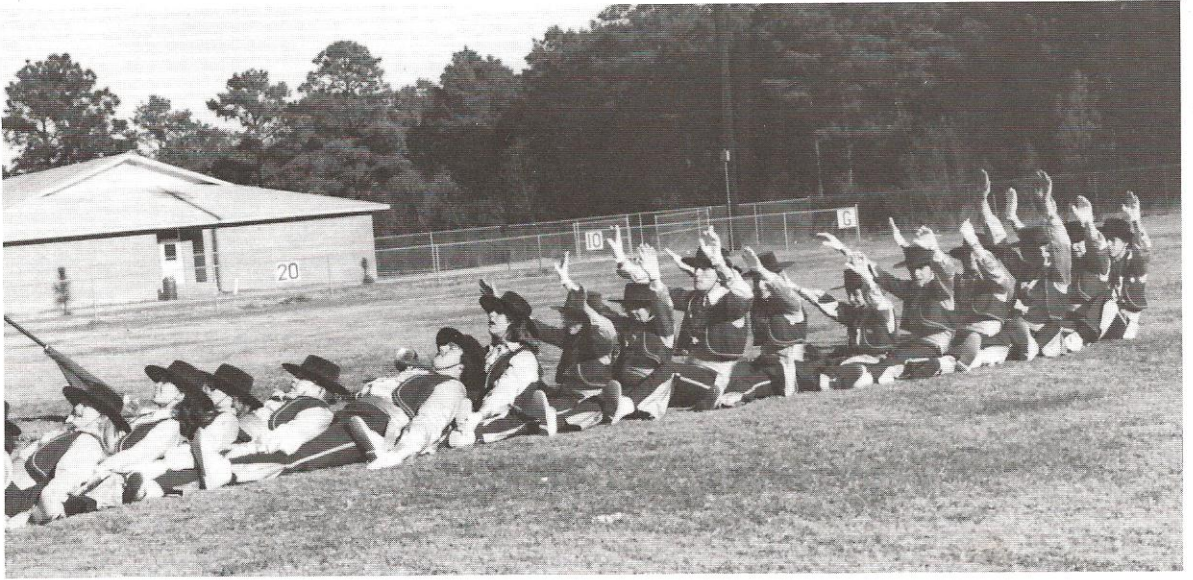

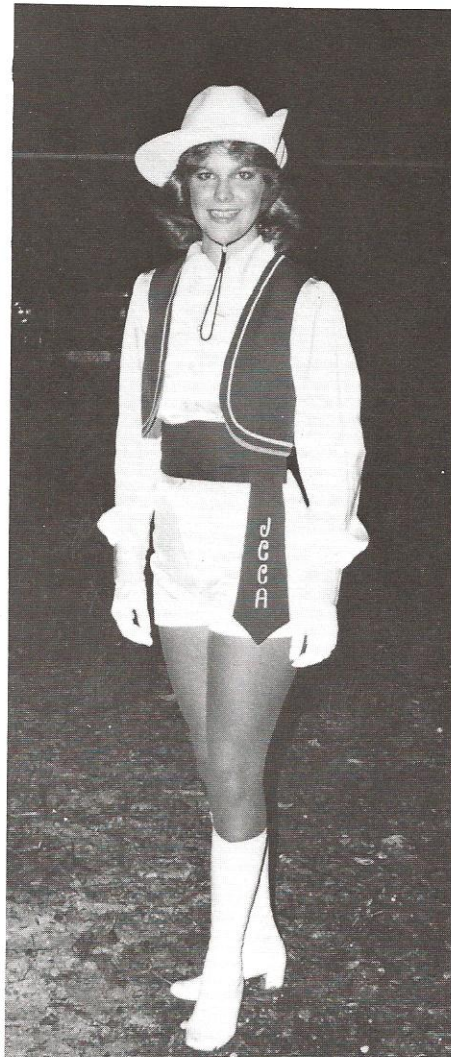

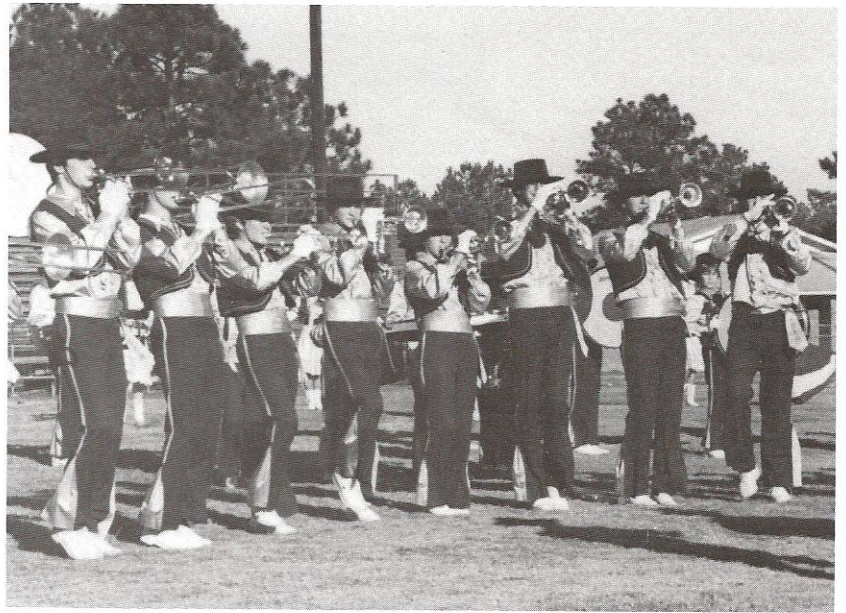

Marching Warhawks

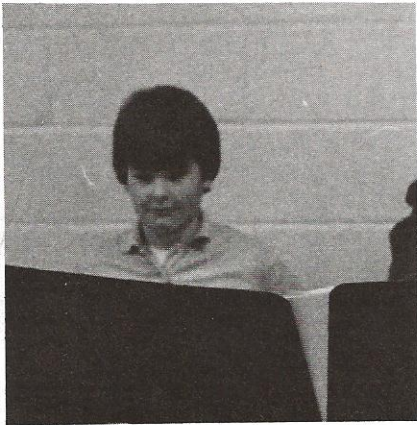

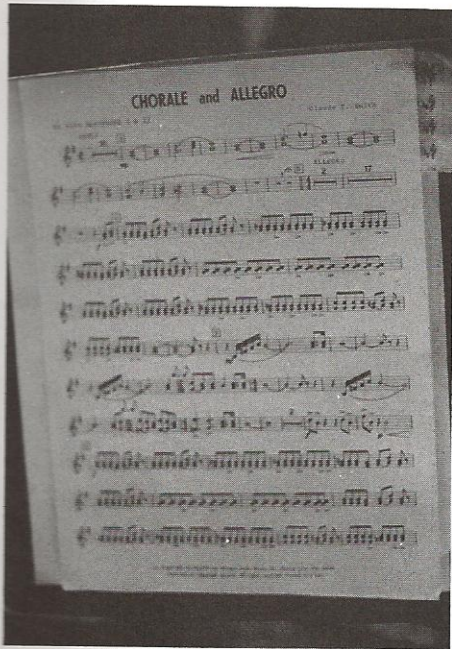

Unique. From the word "go," the Marching Warhawks are a unique band. It is the only independant school in South Carolina to compete in State Marching Competition. Featured are students from fifth grade up while the average band's youngest marchers are in the ninth grade. But the most unique things about the Marching Warhawks are the shows they put together each marching season. We have a reputation for "anything goes" and the fans love it. So through smiles, tears, wins, or losses the John C. Calhoun Marching Warhawks will be recognized for their individuality. As long as the band exists, the Warhawks will "march proud!"

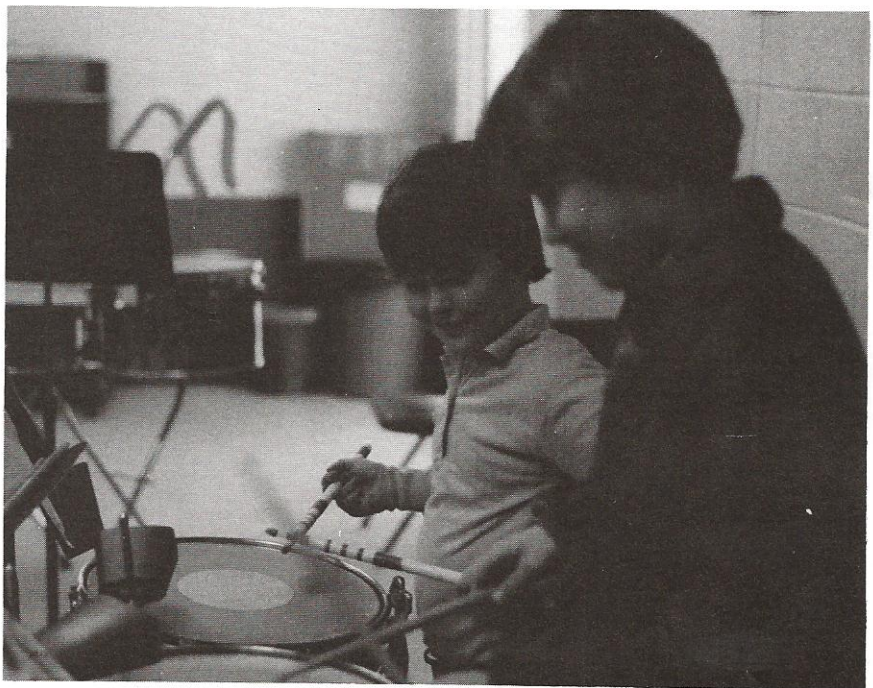

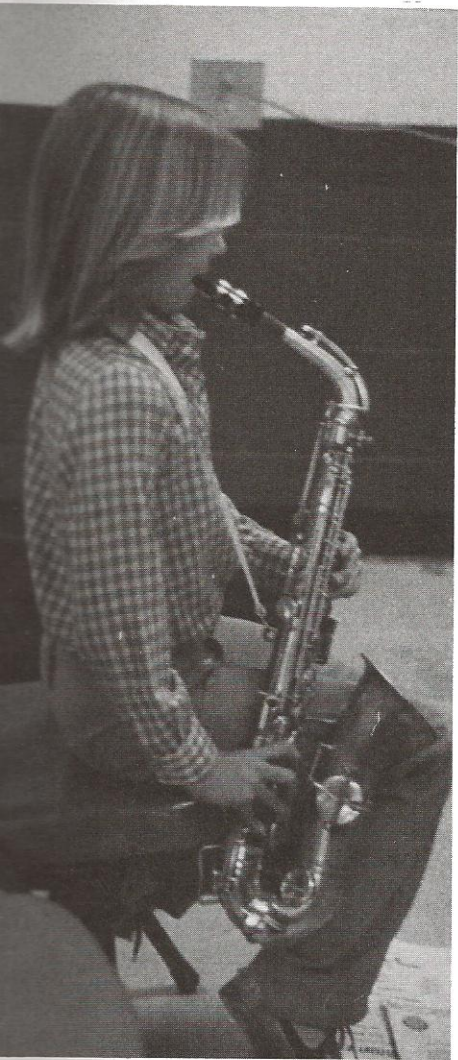

Being a drum major brings back many memories for Stephany Griffin. "When I was twelve, Mr. Polk came to John C. and started the band. I never had much knowledge of marching bands and I joined with the intent of becoming a baton twirler. My heart was nearly broken when Mr. Polk asked me to be a drum major-that sounded very unglamorous. Little did I realize that I was entering one of the greatest experiences of my life. I've learned so much about people-judges, audiences, band directors, band students. But the person I've learned most about was myself. Winning a trophy marked "Best Drum Major" is a reflection of determination and of the guidance of a band director who told a twelve-year old girl 'You can do it!'"

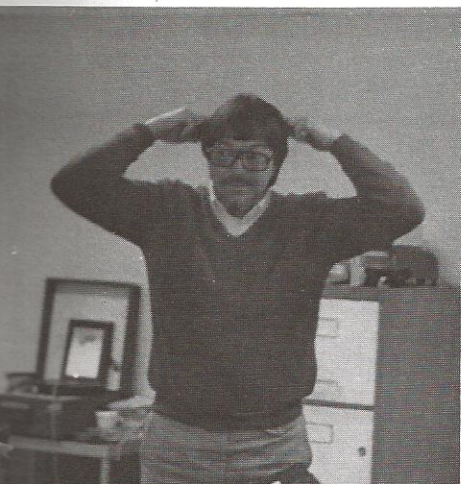

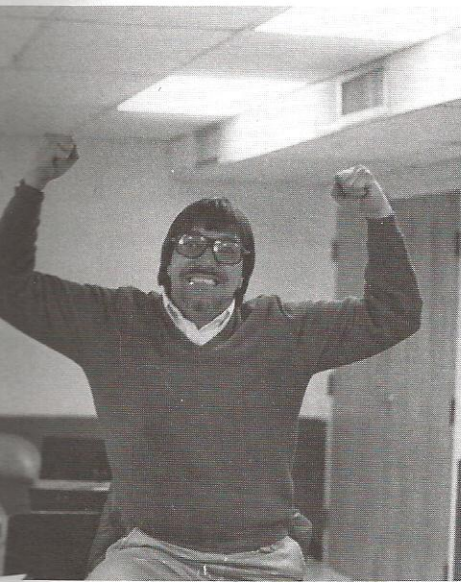

Musical Warhawks Junior Band And ...

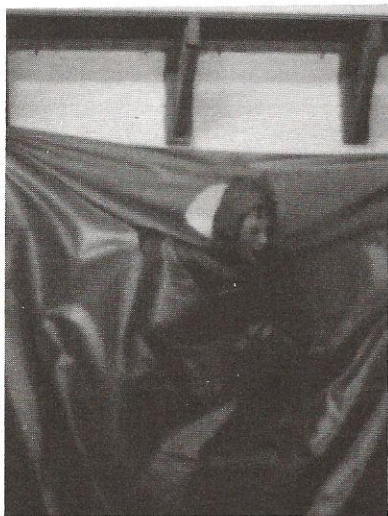

Beginner Band

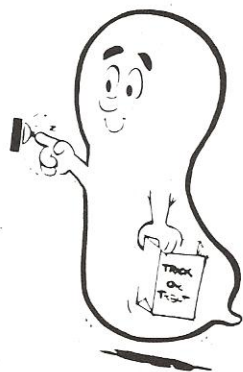

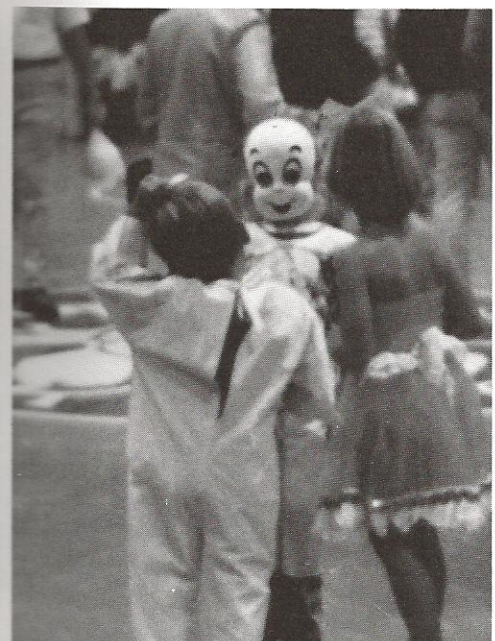

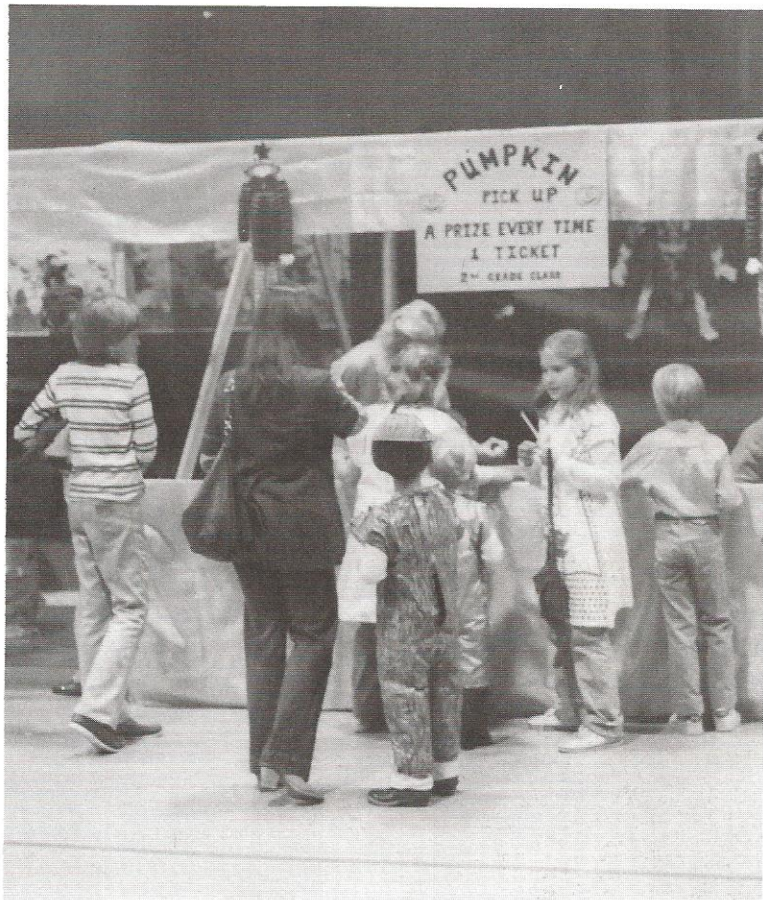

Do you have any remnants of goblins or ghosts lingering in your mind? If so, it is because of the successful Halloween Carnival at John C. this year. Many of us had an opportunity to vent our feelings by dunking our favorite teachers and coaches. Others, with "deadly aim" gave them their first sponge bath! Along with this fun, we had Apple Bobbing, Ring Toss, and Clown Face Painting, all rewarding the youngsters with cuddly prizes and Happy Times! We wish to say a big "Thank You" to each and everyone whose hard work produced the success.

***Santa's
Annual
Visit At
JCCA***

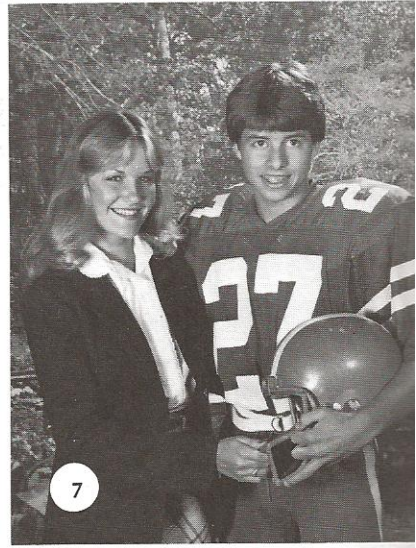

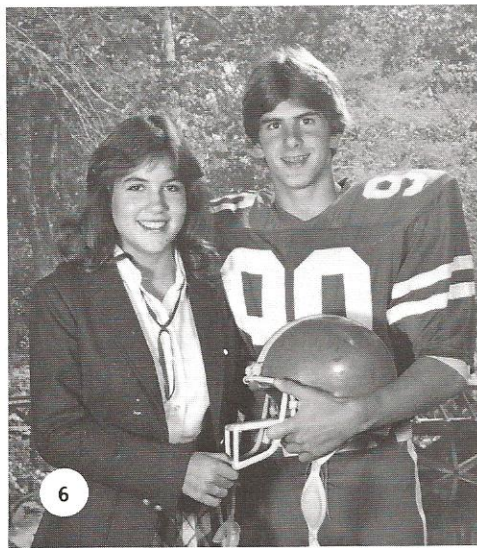

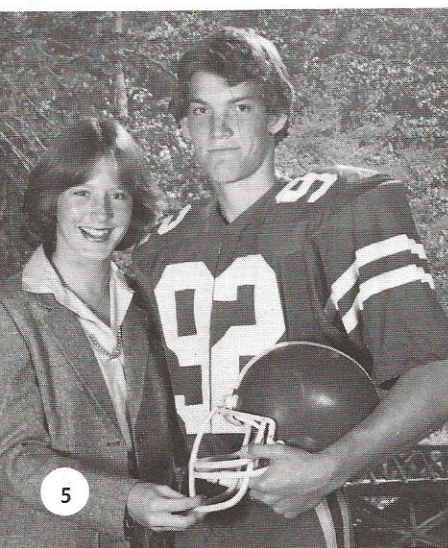

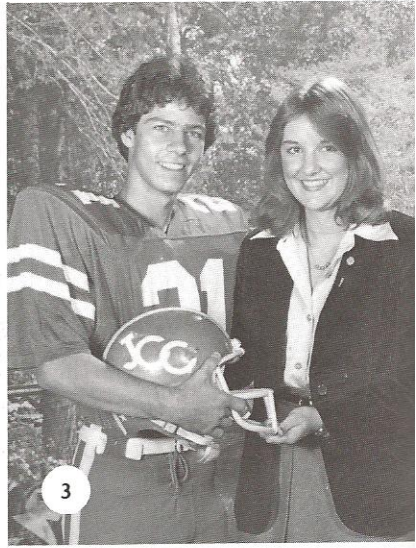

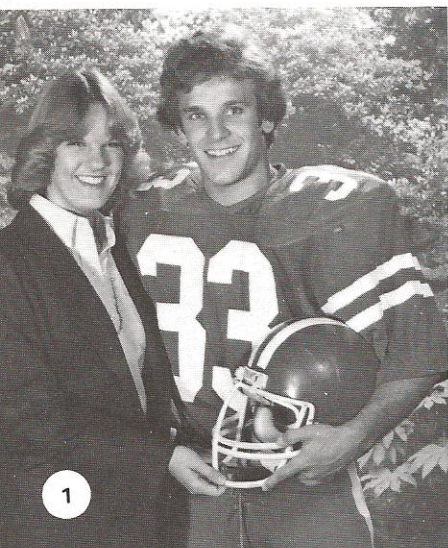

May 9, 1980 p.m., the Juniors and Seniors set sail for an unforgettable voyage. The gym was "decked out" in shipshape condition on the theme "Sail On." All the decorations from the sailboat centerpiece to the pine-cone palm trees were invented and created by the Junior class crew. There was plenty of hearty food and ale thanks to the help of the First Mates. The band in port was Eastern Seaboard. After the dance everyone who was still sailing smooth went to Edisto Beach to dock their boats. Fortunately, any major shipwrecks were avoided. The dance turned out to be a stunning success. The class of '81, along with Captain Peggy Smoak did one "fantastic" job.

The Warhawk Men

Always Ready To Win

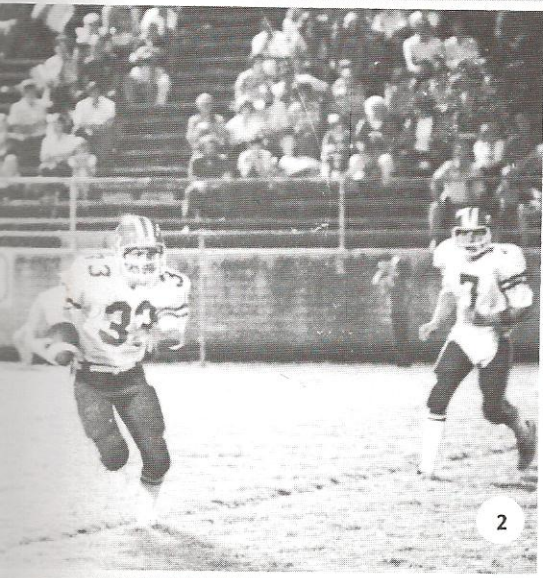

Our Warhawk football team, finishing 5-5, enjoyed a much improved record. In 3 games, our loss was by 1 point. This kept us from making state playoffs. The highlight of the season was an overtime victory, 27-26, against arch-rival and state champion, Thomas Heyward. The student body salutes Coach Porter Kennington and his assistants, Rhea Faris and Robert Axson, for a job well done. Everyone is looking forward to bigger and better things next year, especially a trip to the state playoffs.

Determination With Ability

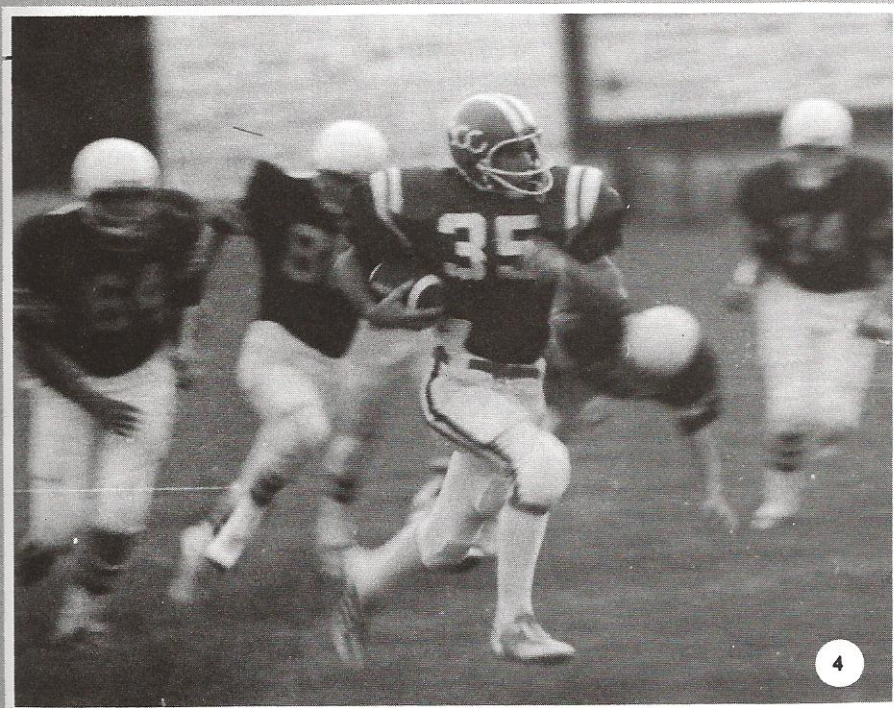

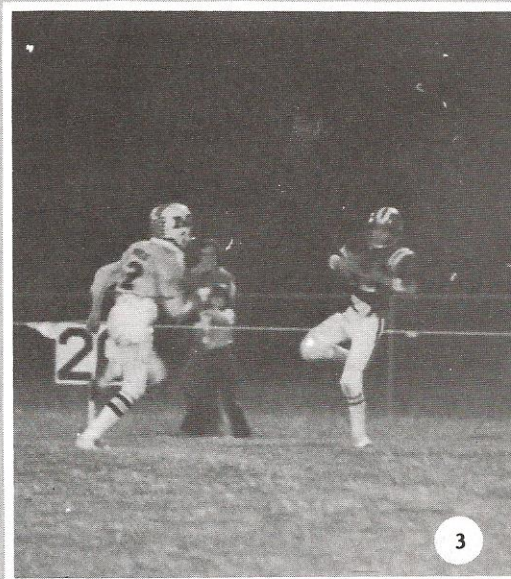

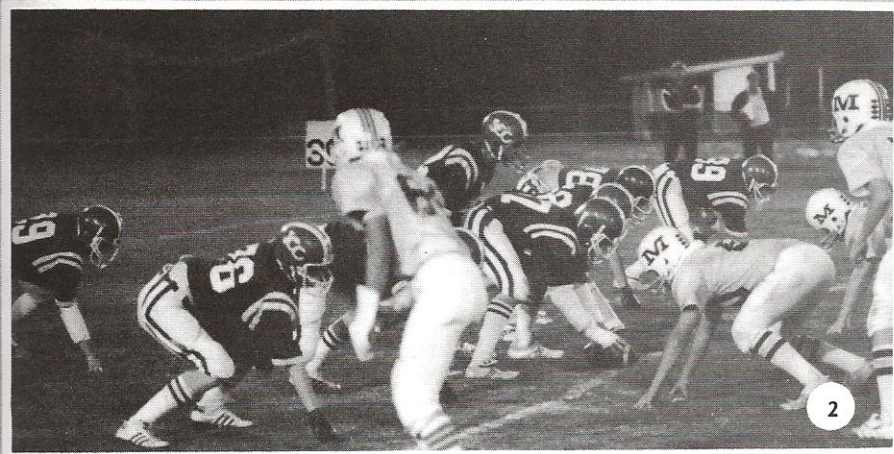

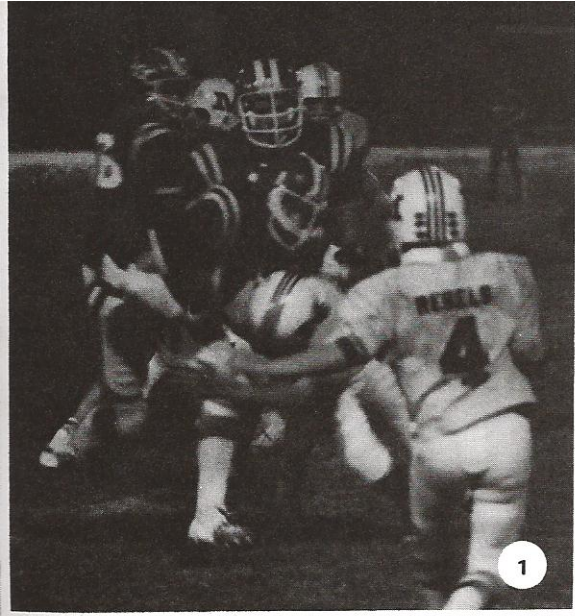

A Sure Way To Win

The J.V football team ended their impressive season with a record of 5-1. Their only loss, by a score of 6-0, came at the hands of Thomas Heyward. Four of their victories were by wide margins. The game with Willington Academy was close and exciting, but the Warhawks came out on top, 26-20. The J.V.'s, having many returning players, will strive towards an undefeated season next year.

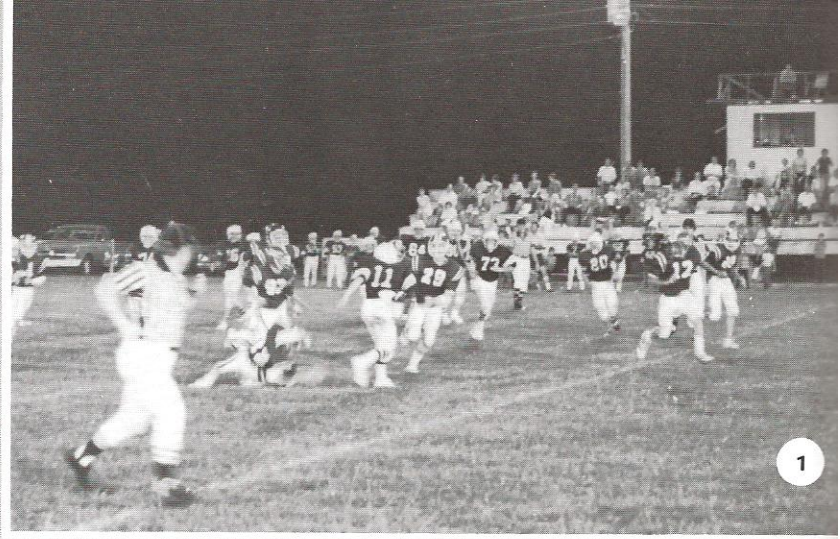

1. A touchdown saved by the Hawk defense.

Reaching For The Top

These Girls' Ambition

A J.V. girls volleyball team was formed for the first time this year. Randy Nesbit coached both the Varsity and J.V. teams. The J.V.'s started a winning tradition by going undefeated. Although the Varsity worked hard, they were unsuccessful in winning any matches.

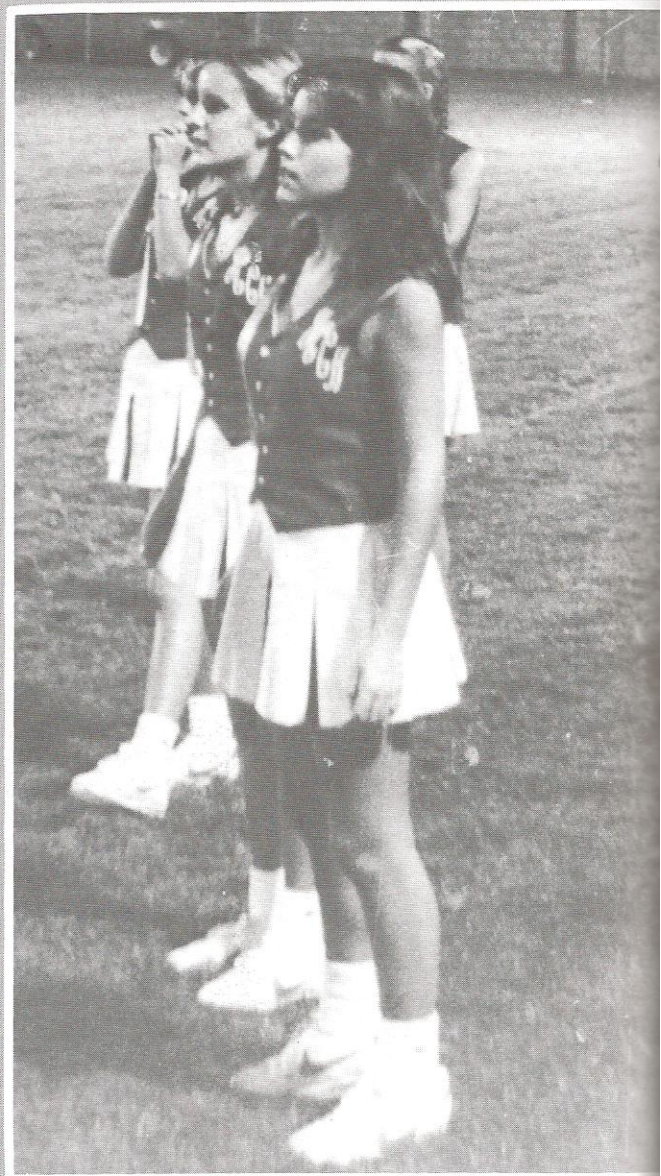

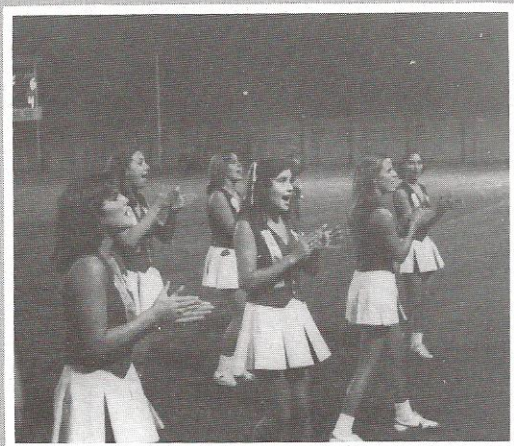

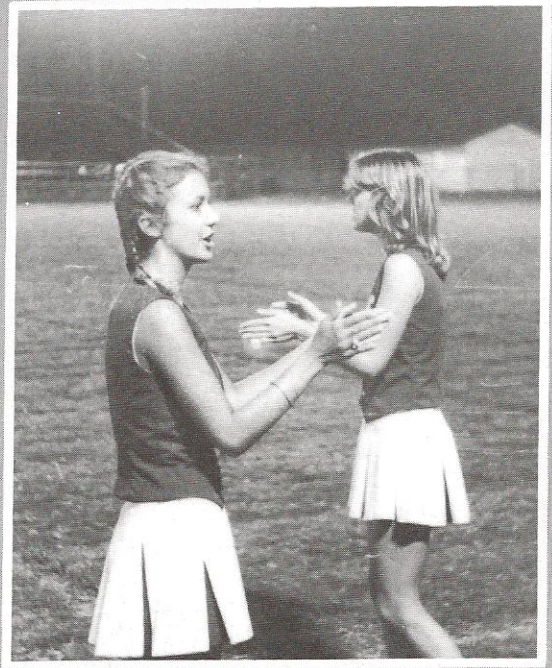

1. Debbie is really determined!
2. Pam and Deni make sure that ball is going over.
3. Terrific bump, Deni!
4. Everyone watches as Kelly gets a tough one.

1. Cheryl sets it up high.
2. Come on Debbie, make that point!
3. Good job, Cheryl!
4. Dawn, Cheryl, and Deni concentrate on the game.
5. Debbie puts it over the net for another point.

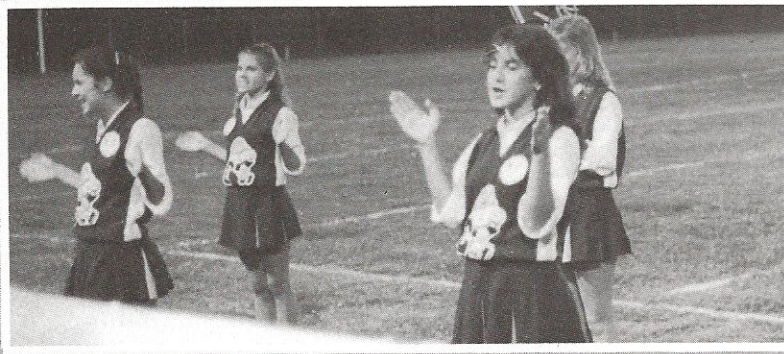

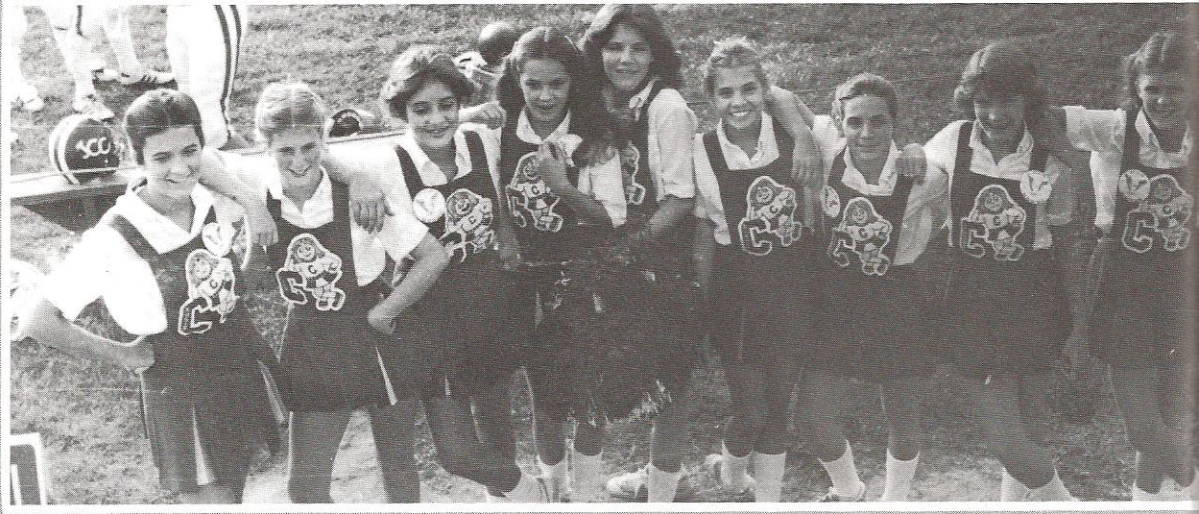

And Now For Some "Spirit"

During the summer, the Varsity Cheerleaders attended the Universal Cheerleaders Association Cheerleading camp at Baptist College. They received several superior ratings and also won a spirit award. The cheerleaders agreed that the super school spirit has helped to make their jobs much easier. They also appreciated the help of the Pep Club, J.V. Cheerleaders, and athletes.

... It Doesn't End With The Varsity

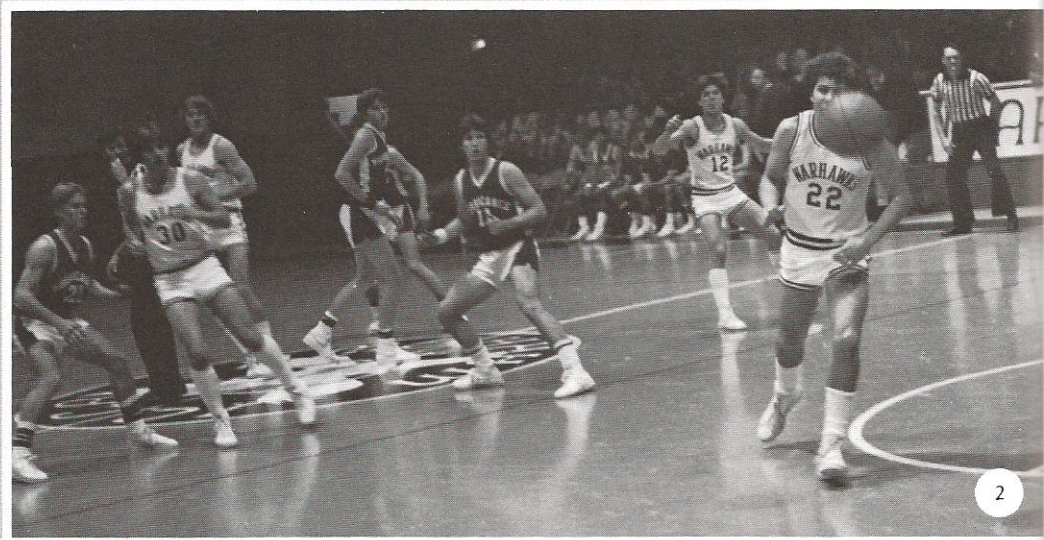

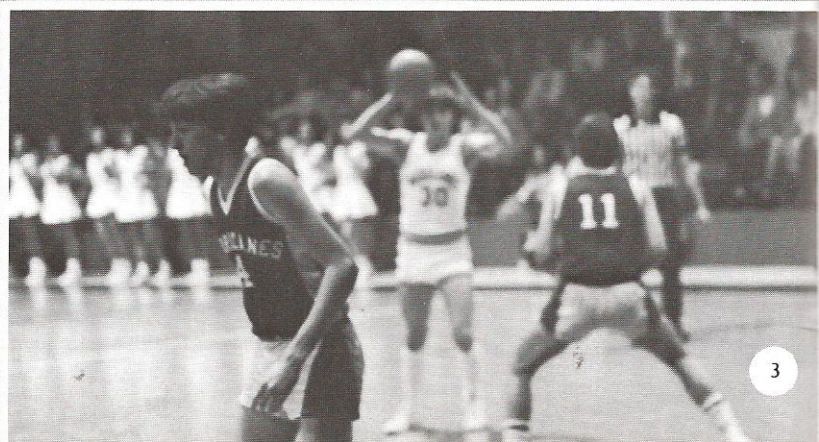

Being a Junior Varsity cheerleader at John C. means putting 100% effort into doing something that's both a learning experience and a lot of fun. Going to a special camp at Furman University during the summer was a special effort the girls made to be the best group they could be. A J-V cheerleader at our school knows that her team is Number 1 no matter what the score, and she shows it! Spirit, pride, and group effort are all words which describe our girls well.

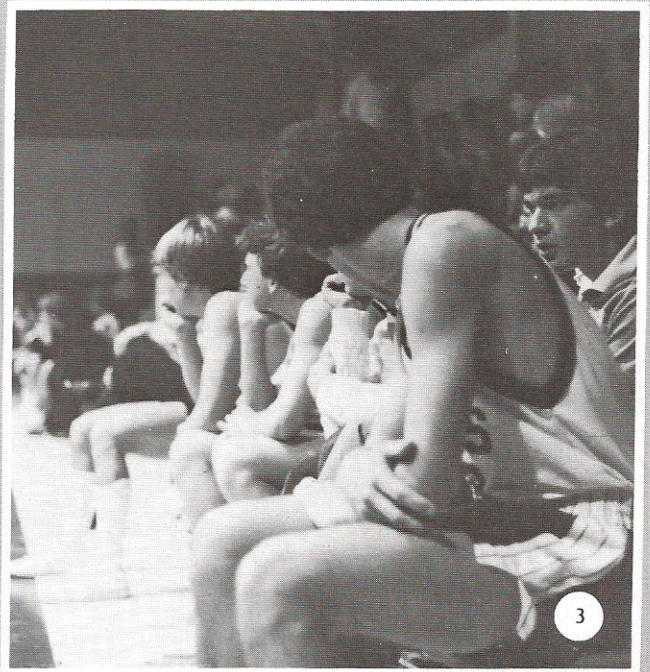

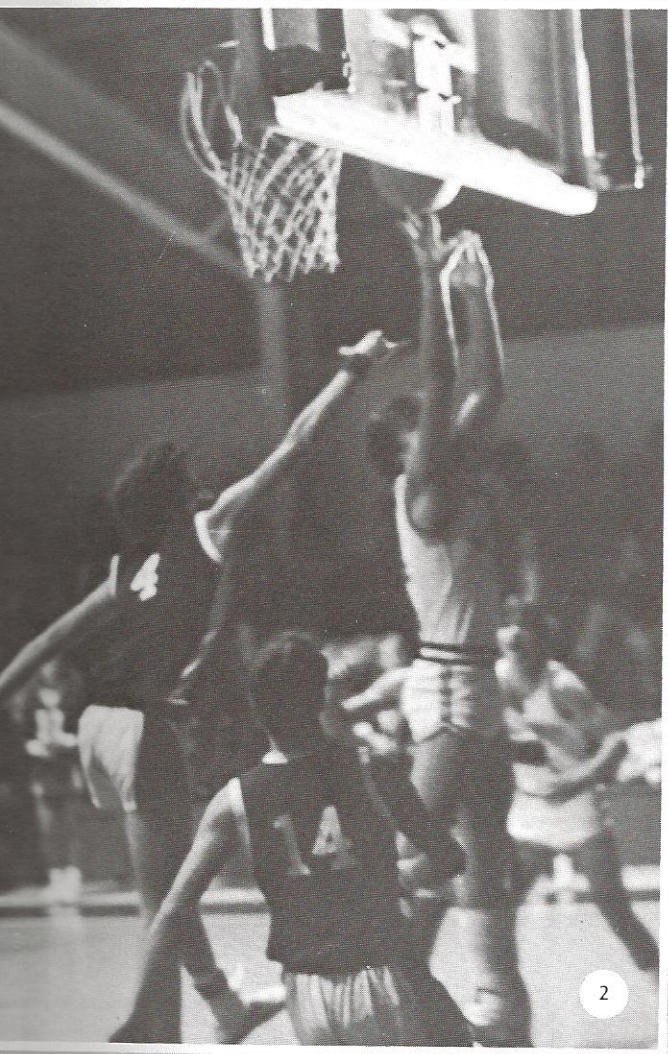

Aggressive Defense Aids Hawks

Randy Nesbit, coach of the Warhawk Varsity Boys, worked very hard with the team. They got off to a slow start this season. Graduation last year took most of the starters. Our team is quite young with Austin Moore and Jamey Copeland being the only seniors. During the holidays, The Warhawk Booster Club sponsored The Warhawk Invitational Tournament. Our boys won over First Baptist by one point to capture third place. The Talon Staff wishes Coach Nesbit and the team the best of luck.

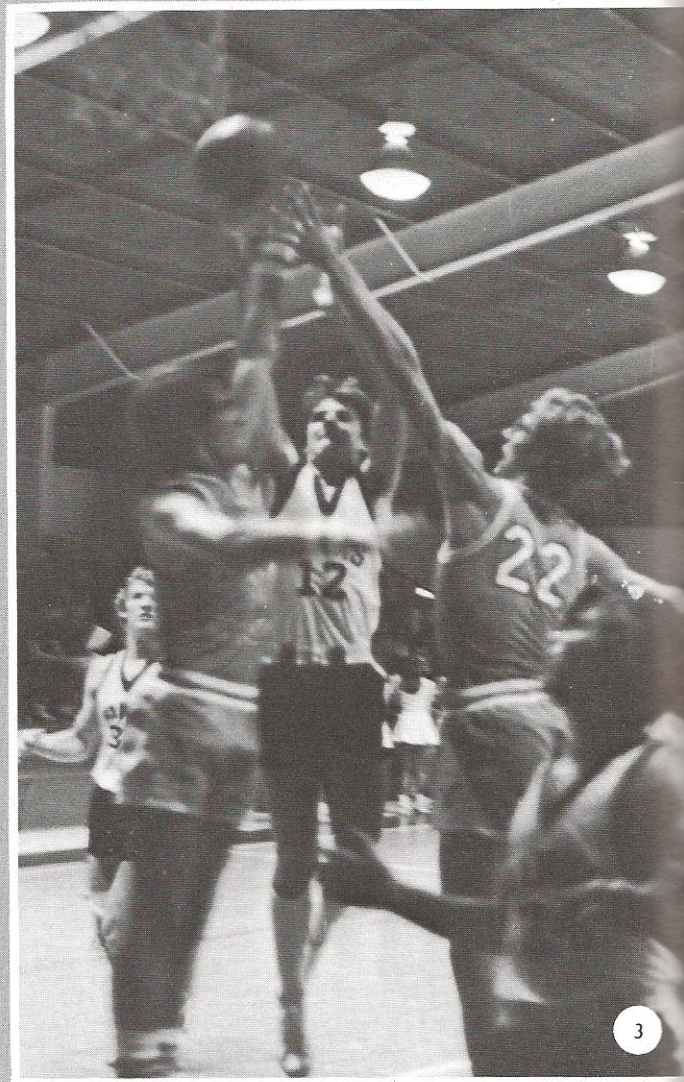

1. Mark tries to deceive the defense.
2. Mark tries to regain possession of the ball.
3. Mark waits for the open man to come around the defensive man.

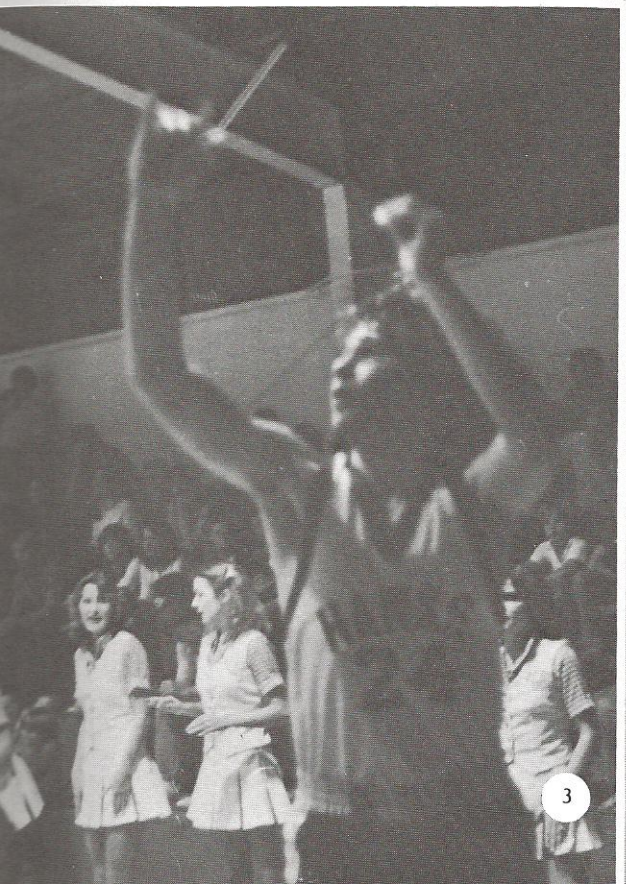

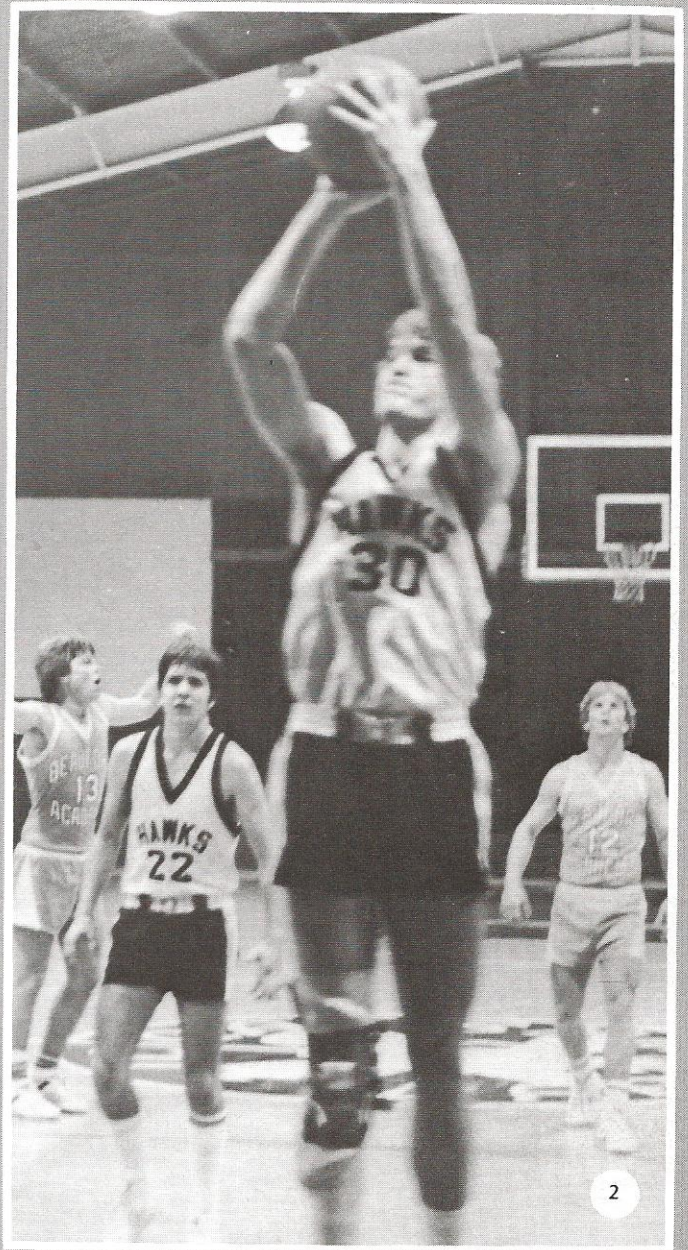

1. Sheldon goes up for two, while the crowd impatiently looks on.
2. Harold goes up to capture the rebound.
3. Most of the team, with the exception of two, patiently await the outcome of the game.

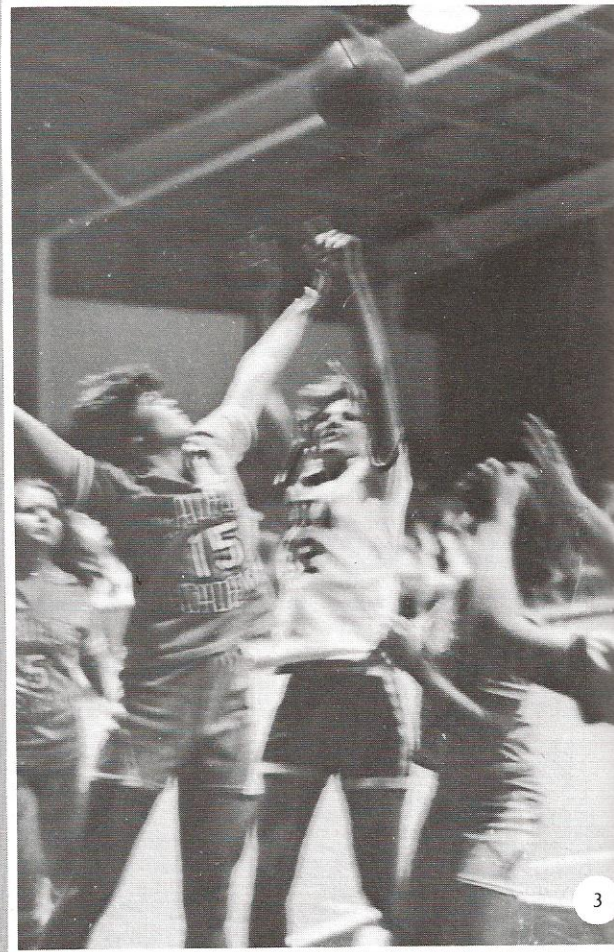

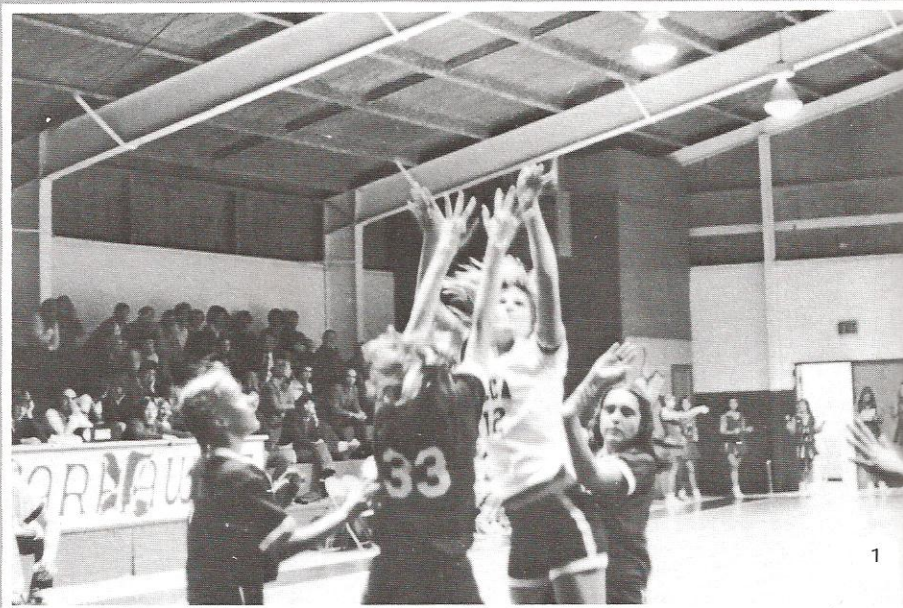

1. Mark dribbles past the defense.
2. Sheldon goes one-on-one with a defensive player.
3. He's under pressure, but Mark manages to attempt the shot.

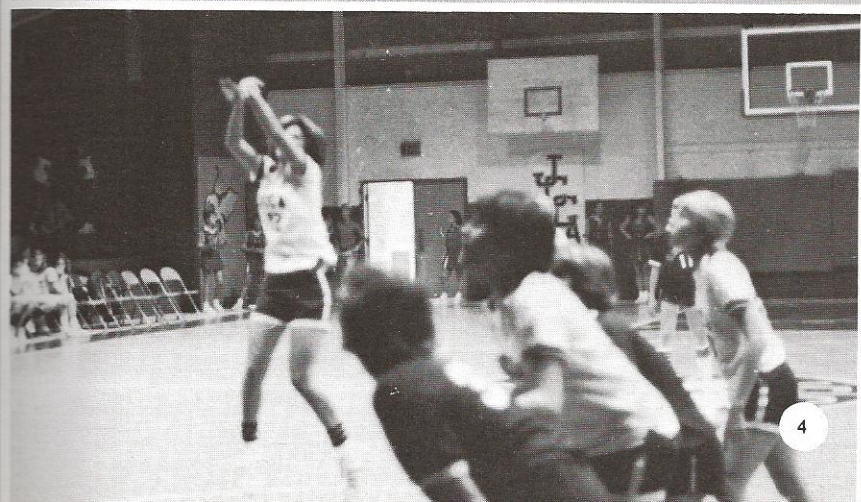

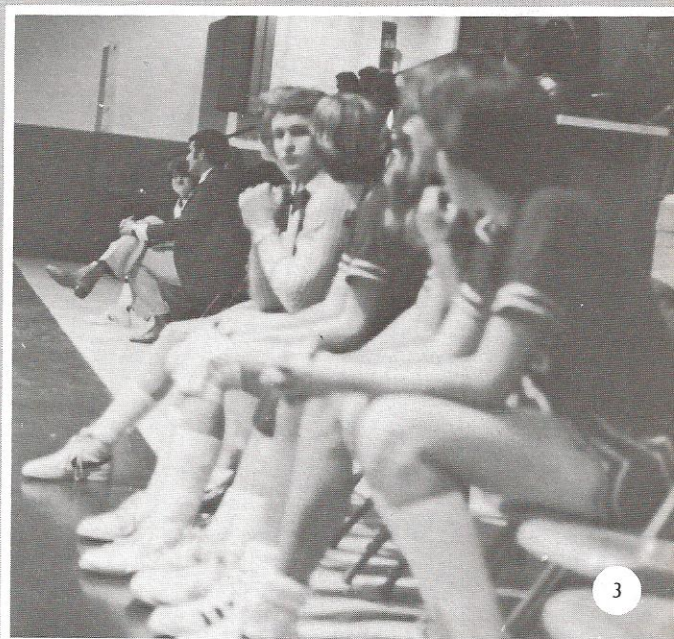

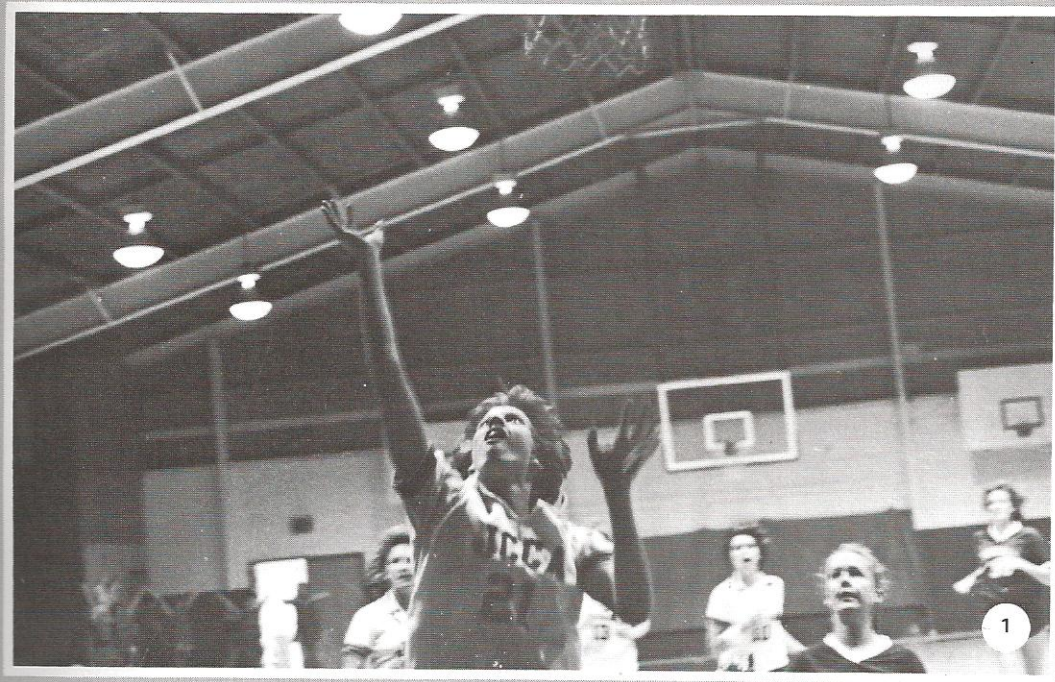

1. Jerry tries his popular shot from the side.
2. Austin's form cannot be duplicated!
3. Harold awaits his two points.

Where There Is A Will, There Is A Way

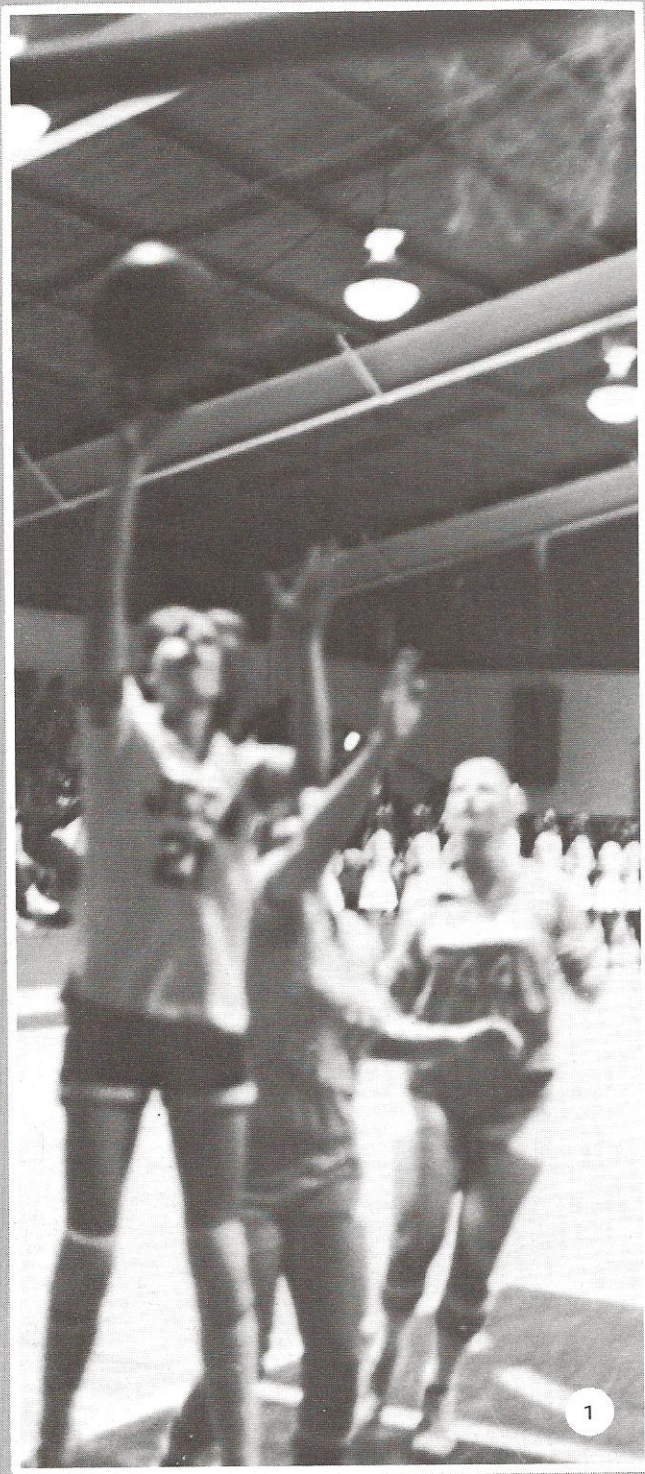

The Varsity Girls, under Randy Nesbit's coaching, have done quite well this season. Our team is young and is adjusting to varsity basketball well. The two seniors are co-captains, Debbie Davis and Cynthia White. During the Warhawk Invitational Tournament, our girls came in second place losing to First Baptist. Congratulations to the coach and team for a job well done and good luck team!

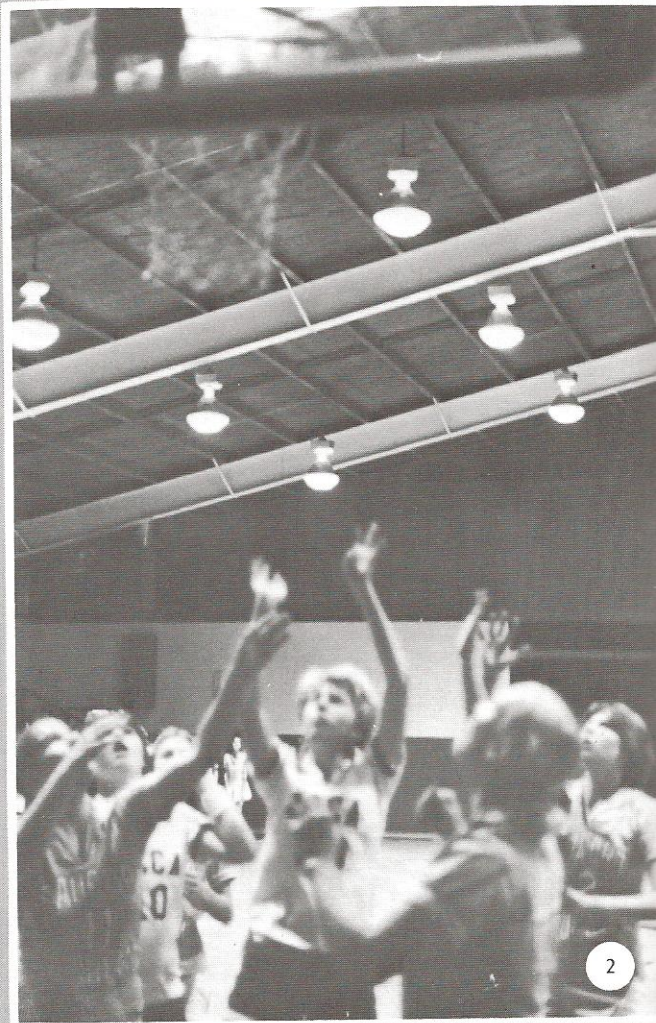

1. What a time for disco! Don't they know there's a basketball game going on?
2. Debbie looks on with amazement, while Jan and #33 battle it out.
3. The ball is in the air. Did Cynthia make it?

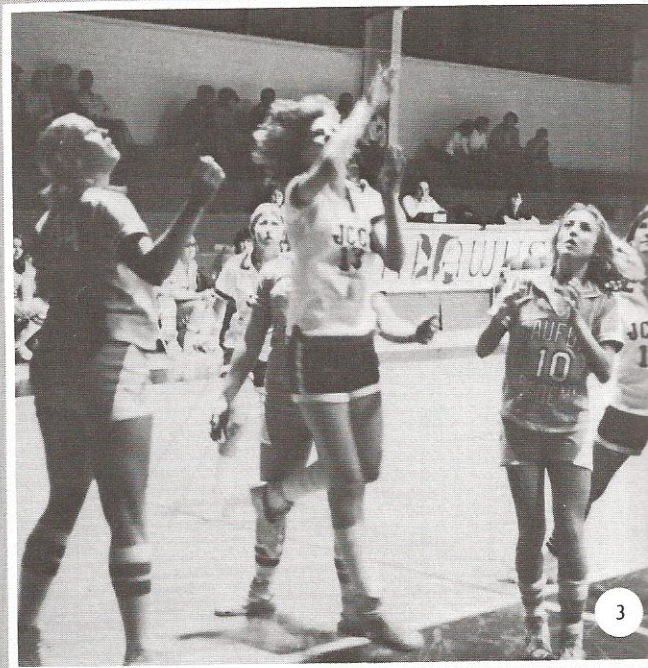

1. Debbie is happy now that she's made two points.
2. What style! But Carmen, this is basketball, not ballet.
3. Coach, you're supposed to be watching the game, not the camera.
4. We're ready to rebound in case you do miss this one!

1. Debbie goes up for another one of her famous lay-ups!

2. Kelly can drive through those plaers for two.

3. Everyone can't believe that Jane was open right under the basket!

1. Jan looks confident that this shot will go in.

3. Cynthia can shoot even with three people on her!

J.V. Boys Basketball

The J.V. Boys, coached by Rhea Faris, have had an exciting season. They won several close games in the last second. Coach Faris is new to coaching basketball and the Talon Staff would like to congratulate him on his success. Good luck J.V. Hawks!

4. Block him!

J.V. Girls Basketball

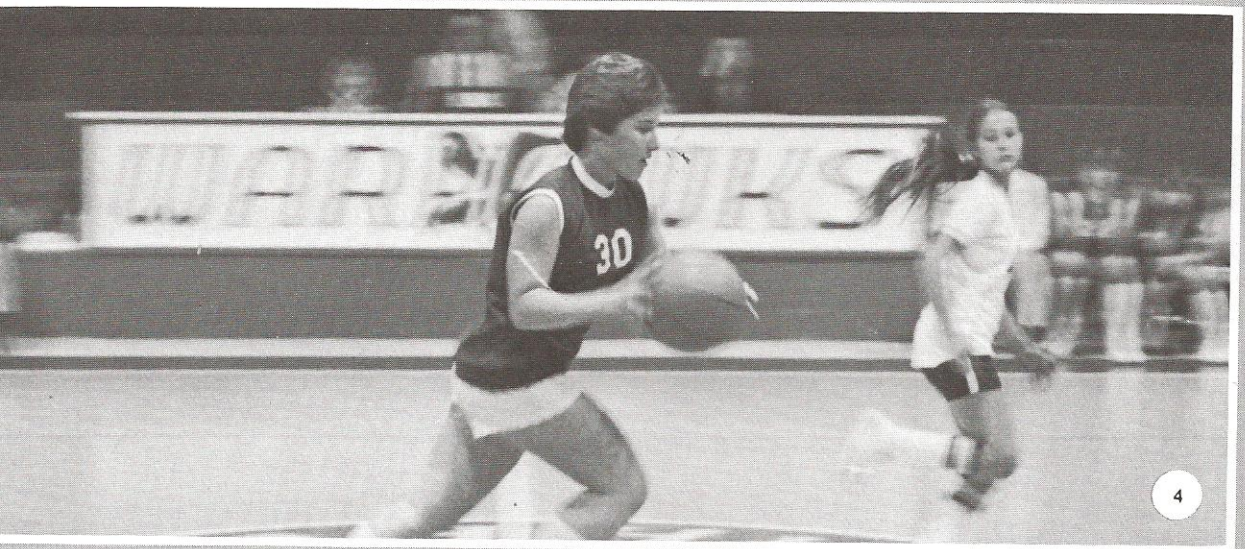

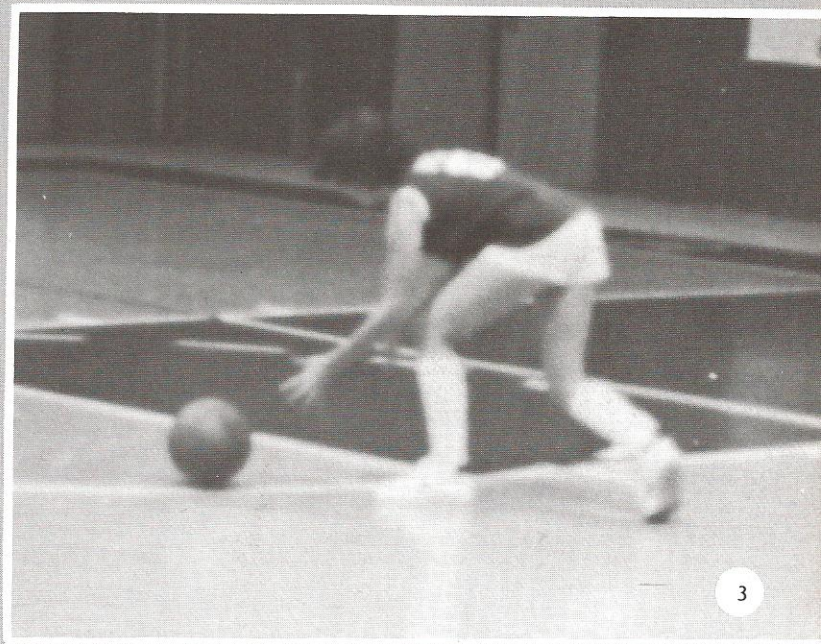

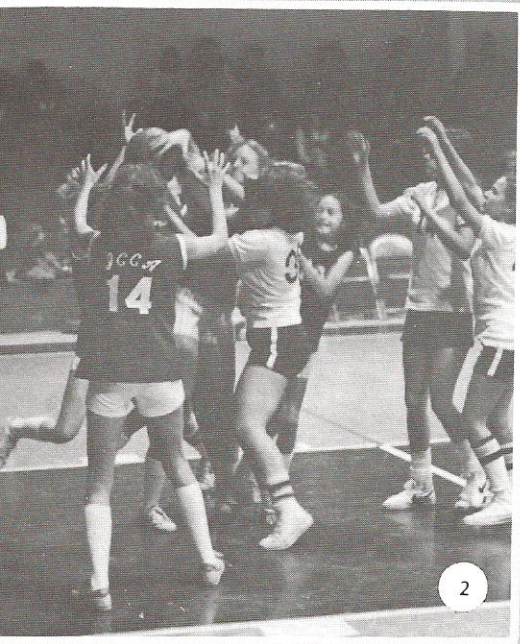

Coached by Rhea Faris, the J.V. Girls have tried hard to win their first game. They have much young talent, but the players are inexperienced. They have shown much improvement during the season, however. Best of luck Little Lady Warhawks!

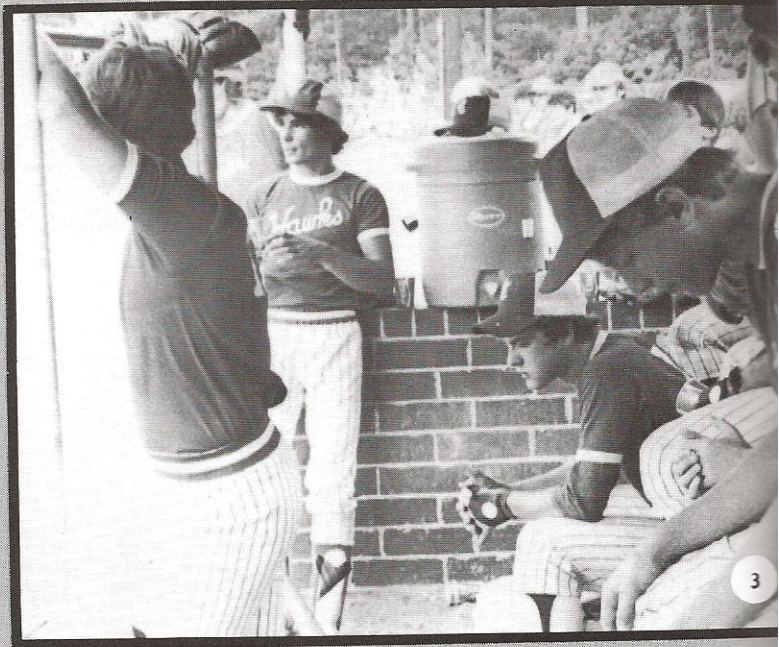

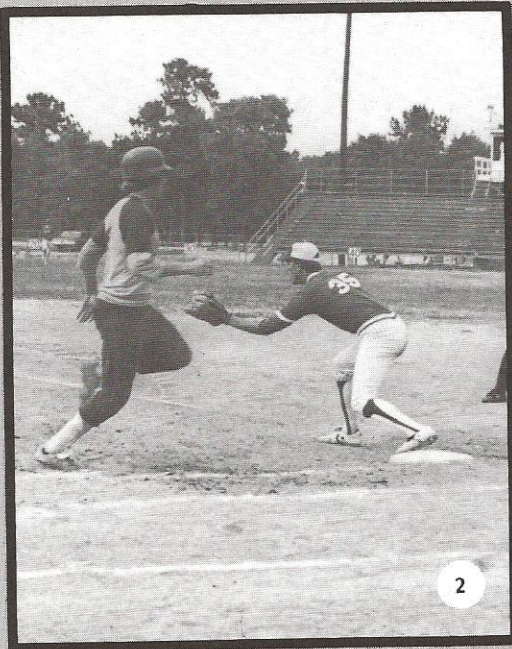

1. Suzanne and 30 battle for the ball.
2. Wendy comes in with the ball, while Connie is there in case she needs any help.
3. What a tangled up mess!

1. Huddle up!
2. Hawks fighting for the ball.
3. Wendy tries to recover the ball after she fumbles.
4. Jody tries to out run her opponent for the two points.

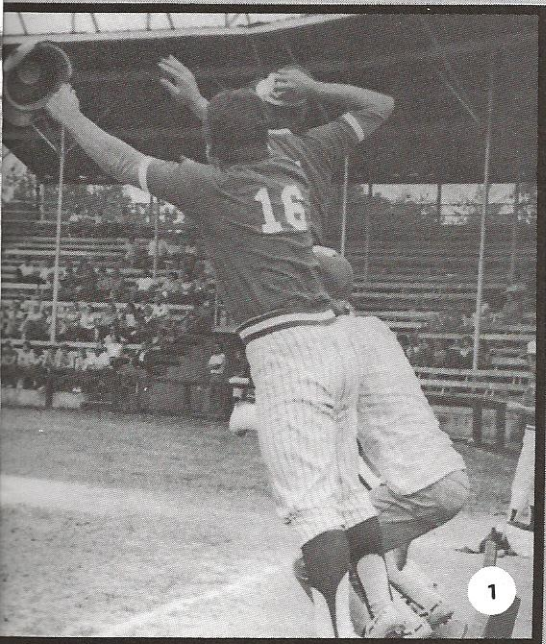

Baseball '80

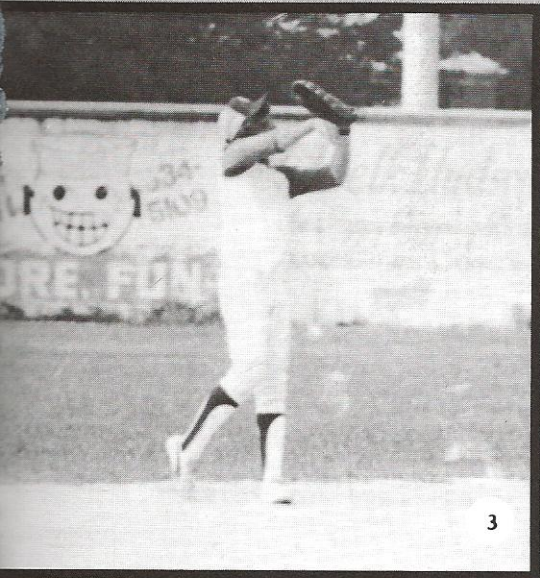

1. Jimmy comes back to base after a good hit!
2. Chip is sure to get another one out!
3. The dugout becomes solemn as the game progresses.
4. Steve is ready for that big double play!

First year coach, Jay Welch, led the baseball team to a 10-5 record. Although our team experienced a few disappointing losses, they bounced back and went on to win the State Championship. They took the series 2 games to 1 over their opponent, Thomas Sumter. The Generals played well, but the Mighty Warhawks were just too much for them.

3. Joe makes another good catch!
4. Jay takes a powerful cut!

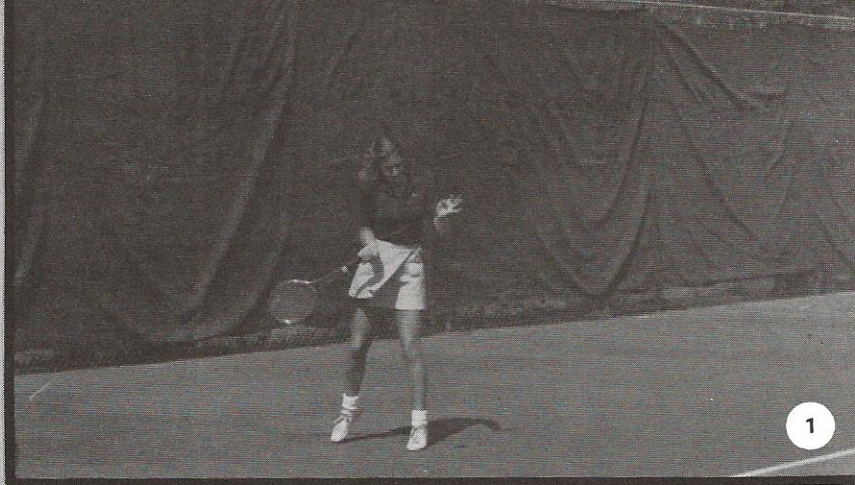

Softball '80

The Girls' Softball Team never gave up last year under Coach Richard Smith, but did manage 1 win. This record was quite disappointing, but all of the girls had a lot of fun. We wish for them a great season next year.

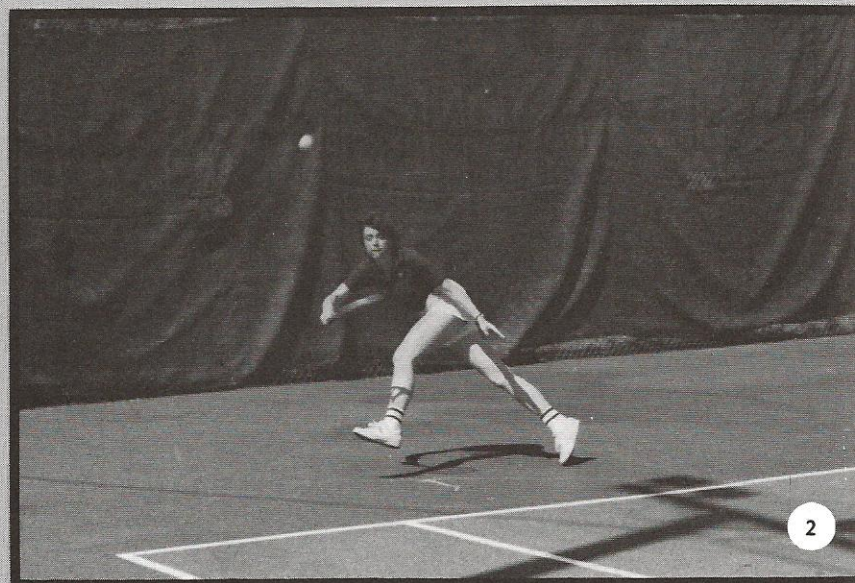

1. This one is going too hot to handle!
2. Carmen takes her position to catch the ball!
3. Good cut!
4. A ball or strike?
5. Cheryl is out by a step!

The Girls' Tennis Team, under Tommy Godwin's coaching, had a very successful season. They had an outstanding record of 9-2. The girls traveled to Hilton Head to participate in the State Tennis Tournament. Although our team didn't win, John C. Calhoun Academy was well represented.

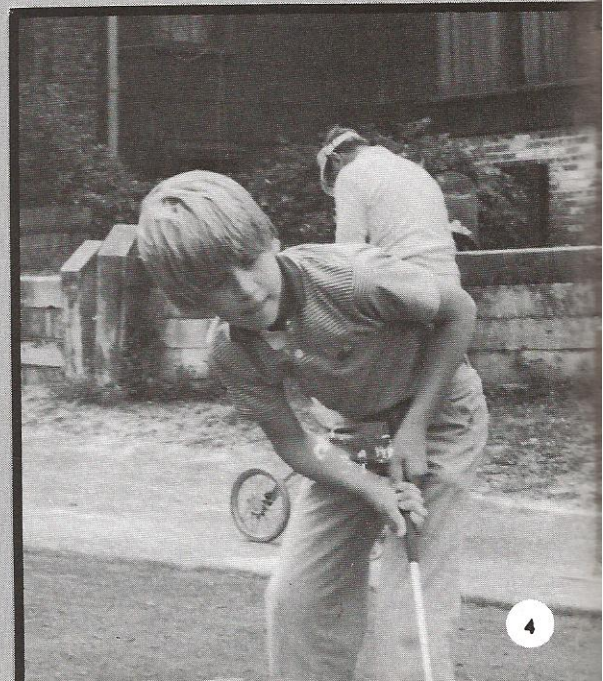

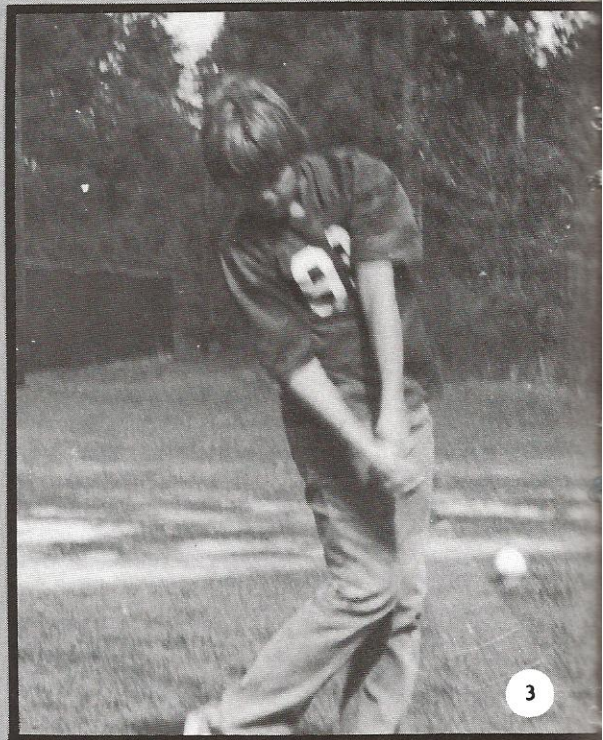

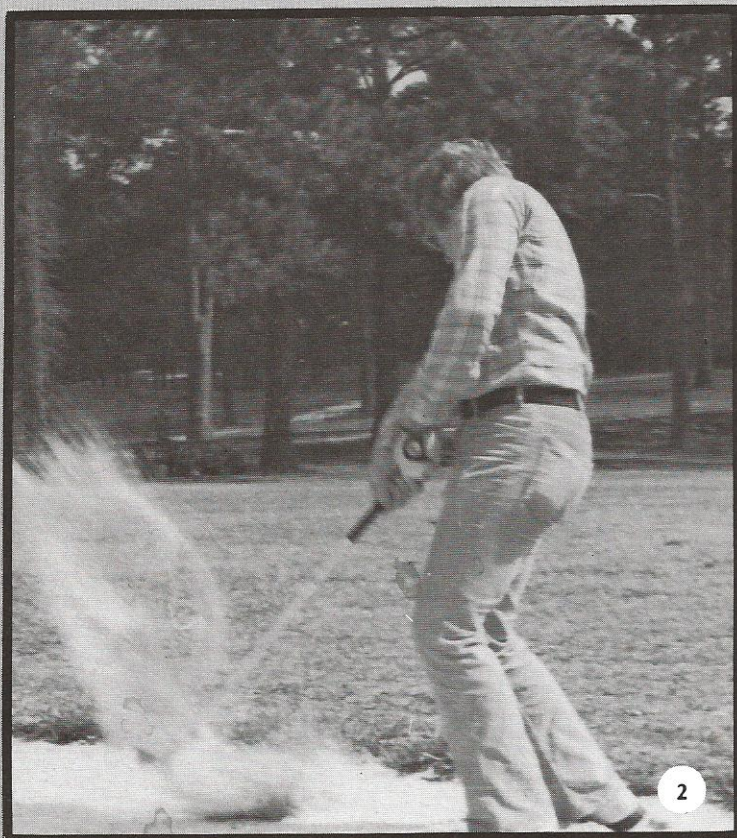

1. Camie serves up another Evert-Lloyd serve.
2. Ann effortlessly steps up to the net and volleys past her opponent.
3. Kelly is determined to make this serve an ace.
4. Lesley returns the volley with a nice effort.

Golf '80

1. Line it up, Robert.
2. Watch out for sand traps next time.
3. Good swing!
4. Brett is really determined.

The Golf Team, coached by Bud Steadman, Kit McNair, and Randy Peters, ended their season with 6 wins, 8 losses, and 1 tie. The State Tournament was held in Hilton Head, where our team got off to a slow start during the first day. On the final day, they came through with a strong finish to gain ground on a number of teams and finished right in the middle of a field of 14 teams.

1. Here goes!
2. Perfect form!
3. Bubba concentrates hard on this shot.

Our Spirit . . .

Rosemary Bailey

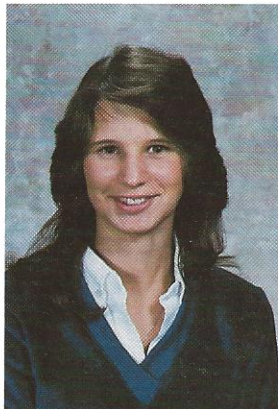

Scott Bailey

It's the ring on your finger engraved with the number "81." It's ordering tassels and signing yearbooks for one last time. It's turning in a uniform after the last game or finding new meaning to the word "accepted." It's exciting and nerve wracking-it's your Senior Year.

The Class of '81 represents all of the things the word "Senior" denotes. We've mastered the art of "door-to-door" and coaxing "donations for a worthy cause." The class has learned to work together and get things done. So as a salute to our high school days there was "Sail On" for the 1980 Jr.-Sr. and the Senior Trip. Fun and frustration, memories and future plans-all are a part of the spirit of the Class of '81.

RAISING MONEY!! These two words were constantly on the minds of the Junior class as they learned to sell, sell, sell. They kicked off their money raising campaign by selling over \$10,000 in magazines. Many hours were devoted to planning and carrying out rummage sales, raffles, and doughnut sales, all in the hopes of having a successful Junior-Senior and a super Senior Trip. They started considering college and their future. They struggled through themes, algebra problems, chemistry equations, typing, and their first term paper; but in the end, they made it.

The Ninth Grade was surveyed to see what type of music was most frequently listened to in that age group. Of course, rock music received the majority and "Emotional Rescue" was designated as the most popular song. In addition to listening to the most current songs, the Freshmen class spends their time studying their favorite subject, French I.

The Eighth Grade has rewritten the meaning of the 3 R's of education. They are rowdy and rambunctious because they are excited about school. They are responsive to their teachers, who are generally entertaining, and they are happy to be in high school. Perhaps by next year, they will have settled down to being rowdy, responsive, and rambunctious.

Fifth Grade Participates In Active Hobbies

The Fifth Grade is a challenging year for all students because it demands a lot of effort and studying on the student's part, and a lot of patience from the teacher. But studying occupies only a portion of the student's time. Hunting, skating, and riding horses are the hobbies enjoyed most by the fifth grade students, and swimming is their favorite summer pastime.

Third Graders feel so grown-up being the oldest students in the Primary Building. They enjoy going to the canteen for lunch this year and look forward to P.E. every week. The Third Grade was surveyed to find out their favorite kind of pet. The canine family proves to be the most popular with 22 students having them as pets. Eight Third Graders are the proud owners of cats while five students own horses!

The Second Graders are very enthusiastic about school, but they really are excited about P.E. and going to the canteen. And their favorite activity is the PEP RALLY!! "What are you going to be when you grow up?" was asked to the Second Graders. In reply, the majority chose the teaching profession. Their choice of their future career may change, but we all know that the opportunities are provided at John C. Calhoun.

The Kindergarten Class has changed their reading readiness series, Holt, Rhinchart, and Winston, to Lippin Cott. The name of the series is "Beginning." How true this is. They're learning letters, numerals, phonics, in fact, the first of everything. For fun they have planned a ride on the fire truck, and an end of the year picnic. When surveyed, the class chose blue as their favorite color proving that they like our newly painted school.

What are teachers? When some teachers were asked, they came up with quite a few complimentary remarks. Teachers are "studious, kindly, gracious and sweet; They're dear from their heads to their feet." Teachers are "frequently having a power shortage." How do students compare to teachers? Teachers are "keys"; students are "locks." Teachers and Parents are "pilots"; Students are the "crew and some are merely passengers." What would we do without all those WONDERFUL Teachers?!!

How do teachers feel about students? When asked, the teachers had some very interesting comments. Students are "always laughing, always gay; they HATE to work, and love to play." Students are "talkative, some are lazy, some are bored, but all are unique people." With all the pain they put students through, teachers still care!!

Joe nice friend who sits by me and pulls for the Indians. Have enjoyed ~~being~~ ^{being} in your class this year. Hope you're in my class next year too. See you over the summer and at the baseball games. Hope you have a nice summer and you and Billy Kitten like each other again. We beat the Indians once and we are gonna beat you twice now also. I know I'll see you at the games and after the games. I hope next year you'll be sitting by Robert and you can get your pants written on, your books and pencils thrown on the floor and get your chance to pinch ^{compliments of} him real hard.
