

Senior Life

Being a senior is something everyone anticipates throughout his school years. Your senior year is the highlight of all the high school years. There are so many things to look forward to — senior privileges, the senior trip, Jr.-Sr., and making plans for college or for going straight to work. It's the end of the carefree, exciting, and sometimes frustrating life of a teenager, but it's the beginning of something altogether new and exciting. After graduation, it's time to become the mature person that John C. has made you. Remember, today's seniors are tomorrow's leaders.
