

4 Practices A Week For 60 Minutes Of War . . .

Many positive points came out of the 1981 football season. In past years the team's attitude has been a lackadaisical one; but in the past two years the team has taken pride in itself and has had two of the best records in John C. athletic history. The coaches this year, Kit Alewine, Robert Axson, and Rhea Faris, instilled a winning tradition on the Warhawk football team. The team proved a lot of things in 1981, especially to the fans, who supported the squad through thick and thin. The final record of 6-4 was an improvement from last year, but losses to Hammond and Thomas Heyward ruined the Hawks' hopes to be State Champions. The Talon Staff would like to thank Dan Johnson and **The Press and Standard** for allowing them to use some of their pictures in the annual.
