

# Working Together Pays Off

This year the Varsity Boys' basketball team was pleased to have a new coach, Mr. Henry Bouton, a 1980 graduate of the Citadel. This was his first high school coaching job; however, he was an assistant coach at P.C. last season. Because the Warhawks were doing so well they were ranked ninth in the state at one point. This was their first ranking since the 1979 season. The Second Annual Warhawk Invitational Tournament was a big success; the boys finished first with wins over Holly Hill and First Baptist. Moreover, Mark Socha and

Sheldon Girardeau were chosen for the All-Tournament Team. Girardeau was also chosen Most Valuable Player of the tournament. Graduation will take its toll this year with seven seniors graduating. John Hydrick, Jimmy Mitchell, Mark Socha, Bruce Hensley, Sheldon Girardeau, Gary Headden, and Mark Davis will be missed greatly next season. The Varsity Boys' team was a group of hardworking and energetic individuals. From their successful basketball season, they can clearly see that working together pays off.

Coach Bouton watches closely as play continues on the court.

Harold Blocker and Gary Headden are ready to rebound if the ball doesn't go in.

The players listen intently as the coach tells the game plan.
