## Where A Diamond Is A Girl's Best Friend

If looks could kill, Vicki Strickland would slaughter the First Baptist defense.

Gwen Murdaugh improves her batting average by displaying her skill.

Lisa Smyly looks on as Candace Goodwin pitches a sure strike.

During the game with First Baptist, Coach Taylor watches his team defeat the Hurricanes 5-4.

Heading into what seemed to be a mediocre year, the 1982 softball team overcame obstacles of previous years and obtained the best overall softball record in John C.'s history. First year coaches, Scott Hartshorn and Alan Taylor, helped the team to defeat chief rivals Thomas Heyward and First Baptist and advance to the state playoffs. In the playoffs their hopes of becoming state champions were shattered when Robert E. Lee Academy defeated John C. 1-7.

Although two valuable seniors, Cheryl Davis and Candace Goodwin, were lost to graduation, the Lady Warhawks expect a promising 1983 season because many talented veterans remain on the team. One such veteran, captain Monique Fennell, says she enjoys softball because "it is an exhilarating experience."
